ROLL CALL

Joseph Resta, Executive Director, in his capacity as Secretary for this Meeting called the roll, and at the conclusion thereof, reported that there was a quorum present-there being five members present from the Commonwealth of Pennsylvania and four members present from the State of New Jersey.

WELCOMING REMARKS OF THE EXECUTIVE DIRECTOR

Executive Director Resta welcomed those persons whose identities are set forth hereinabove under "Appearances".

INTRODUCE ANY COMMENTS FROM THE PUBLIC

Executive Director Resta addressed the meeting and said:

This is the portion of the meeting where I invite any comments on agenda items from the public. The Commission has instituted a new procedure for public comments. Speakers will be allowed one three-minute time frame to provide comment. There will be no repeat speakers and no yielding time to another speaker. So, if you do have comments on today's agenda items, this is the point in the meeting where you would voice those comments. Hearing none.

EXECUTIVE DIRECTOR'S REPORT

Good morning, commissioners, today's meeting contains resolutions for contracts connected to

the Commission's conversion to All-Electronic Tolling, namely, New Jersey E-ZPass Next Generation CSC Services (Back Office) and the All-Electronic Toll Collection System (In-Lane) Design, Build, and Maintain contracts. Both are large, long-term contracts vital to our revenue collection.

Also, today's agenda includes building blocks necessary for our 2025 Operating Budget, slated for December. Resolutions for Medical, Prescription, and Life Insurance for active employees and retirees along with several business insurance policies are put forth for your consideration today.

Conversion to All-Electronic Tolling has also provided opportunities for toll collectors to transition to other positions at the Commission. Over the past months we have had openings for Customer Service Center/Toll Audit representatives and today's resolutions provide transition for Toll and Toll-Supported Bridge Monitors. Commissioners, we ask for your support for these, and all resolutions today.

So, as we enter the week of Thanksgiving, we give thanks to all that the Commission has accomplished, and its resilience through adversity. Happy Thanksgiving, safe travels.

Thank you, Commissioners, this concludes my comments for today.

APPROVAL OF MINUTES FOR COMMISSION MEETING HELD OCTOBER 28, 2024

R: 5040-11-24-ADM-01-11-24

Executive Director Resta addressed the meeting and requested the adoption of a Resolution approving the Minutes of the Commission Meeting held October 28, 2024.

At the conclusion of the review, Vice Chair Janvey moved and Chairman Komjathy seconded the adoption of the following Resolution:

"RESOLVED: by the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 25th day of November 2024 that the Minutes of the Commission Meeting held on October 28, 2024, be adopted and the same hereby are approved."

Executive Director Resta reported that there were four affirmative votes from New Jersey, and five affirmative votes from Pennsylvania.

Executive Director Resta then invited any further questions on the Resolution. No further questions were presented, and the Resolution was unanimously adopted.

APPROVAL OF OPERATIONS REPORT-MONTH OF OCTOBER 2024

R: 5041-11-24-ADM-02-11-24

Executive Director Resta addressed the meeting and asked if there were any questions on any of the reports contained in the "Operations Report".

At the conclusion of the review, Chairman Komjathy moved and Vice Chair Janvey seconded the adoption of the following Resolution:

"RESOLVED: by the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 25th Day of November 2024 that the Operations Report, which reflects Commission activity for the month of October 2024 is hereby approved."

Executive Director Resta reported that there were four affirmative votes from New Jersey, and five affirmative votes from Pennsylvania.

Executive Director Resta then invited any further questions on the Resolution. No further questions were presented, and the Resolution was unanimously adopted.

APPROVAL OF THE COMMITTEE MEETING SCHEDULE FOR 2025

R: 5042-11-24-ADM-03-11-24

Executive Director Resta addressed the Meeting and asked the Commission Members, if, after their review, there were any questions.

Vice Chair Janvey addressed the meeting and said:

Yes, I make a motion. I also want to thank the Commission for acknowledging the religious holidays and making our meetings around those dates.

Executive Director Resta addressed the meeting and said:

Thank you. Commissioner Komjathy may I have a second?

At the conclusion of the review, Vice Chair Janvey moved and Chairman Komjathy seconded the adoption of the following Resolution:

"RESOLVED: By the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 25th Day of November 2024, that the Committee Meeting Schedule for 2025, be and the same is hereby approved."

Executive Director Resta reported that there were four affirmative votes from New Jersey, and five affirmative votes from Pennsylvania.

Executive Director Resta then invited any further questions on the Resolution. No further questions were presented, and the Resolution was unanimously adopted.

APPROVAL OF THE REGULAR MONTHLY COMMISSION MEETING SCHEDULE FOR 2025

R:5043-11-24-ADM-04-11-24

Executive Director Resta addressed the Meeting and asked the Commission Members, if, after their review, there were any questions.

At the conclusion of the review, Chairman Komjathy moved and Vice Chair Janvey seconded the adoption of the following Resolution:

"RESOLVED: By the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 25th Day of November 2024, that the Regular Monthly Commission Meeting Schedule for 2025, be and the same is hereby approved."

Executive Director Resta reported that there were four affirmative votes from New Jersey, and five affirmative votes from Pennsylvania.

Executive Director Resta then invited any further questions on the Resolution. No further questions were presented, and the Resolution was unanimously adopted.

RENEWAL OF MEDICAL INSURANCE PROGRAM FOR ACTIVE EMPLOYEES AND RETIREES UNDER THE AGE OF 65. JANUARY 1, 2025-DECEMBER 31, 2025

R:5044-11-24-INS-01-11-24

Executive Director Resta addressed the Meeting and asked the Commission Members, if, after their review, there were any questions.

At the conclusion of the review, Commissioner Lavery moved and Commissioner Christy seconded the adoption of the following Resolution:

"RESOLVED: By the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 25th Day of November 2024, that the Commission authorizes renewal of the following plans with the identified provider: Medical insurance plans that cover active employees/dependents and retirees/dependents under the age of 65, specifically to provide for: Self-insured policy with medical claims paid as incurred, estimated for 2025 at \$10,415,449; IBC's third-party administrator, Independence Administrators, for all claims incurred by the program's PPO segment, with a second year Administrative Fee of \$56.03 per employee, per month, for an annual total of \$277,012; and purchase a twelve (12) month Specific and Aggregate Stop-Loss insurance policy with Sunlife. The Specific deductible to be \$175,000, with a premium in the amount of \$2,267,433. The policy will be a 12/24 contract covering medical and prescription claims incurred in 12 months and paid within 24 months of January 1, 2025. Projected cost assumes current enrollment of 156 "Singles" and 256 "Families."

Executive Director Resta reported that there were four affirmative votes from New Jersey, and five affirmative votes from Pennsylvania.

Executive Director Resta then invited any further questions on the Resolution. No further questions were presented, and the Resolution was unanimously adopted.

RENEWAL OF PRESCRIPTION BENEFITS PROGRAM FOR ACTIVE EMPLOYEES AND RETIREES UNDER AGE 65. JANUARY 1, 2025-DECEMBER 31, 2027

R: 5045-11-24-INS-02-11-24

Executive Director Resta addressed the Meeting and asked the Commission Members, if, after their review, there were any questions.

At the conclusion of the review, Commissioner Laurenti moved and Commissioner Grace seconded the adoption of the following Resolution:

"RESOLVED: By the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 25th Day of November 2024, to renew Prescription Drug Benefit Plan for Active Employees and Retirees under Age 65 with Express Scripts for a three (3) year period from January 1, 2025, through December 31, 2027."

Executive Director Resta reported that there were four affirmative votes from New Jersey, and five affirmative votes from Pennsylvania.

Executive Director Resta then invited any further questions on the Resolution. No further questions were presented, and the Resolution was unanimously adopted.

LIFE INSURANCE/AD&D, LTD AND FMLA RENEWAL PLAN, YEARS JANUARY 1, 2025, THROUGH DECEMBER 31, 2026, FOR ACTIVE EMPLOYEES

R: 5046-11-24-INS-03-11-24

Executive Director Resta addressed the Meeting and asked the Commission Members, if, after their review, there were any questions.

At the conclusion of the review, Commissioner Ciesla moved and Vice Chair Janvey seconded the adoption of the following Resolution:

"RESOLVED: By the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 25th Day of November 2024, that the Commission authorizes the Executive Director to affect the renewal of our group life insurance policy, AD&D, our employee-paid optional life and long-term disability policy and FMLA administration at their current respective benefit levels of with Mutual of Omaha for a two (2) year period commencing January 1, 2025, through December 31, 2026.

Executive Director Resta reported that there were four affirmative votes from New Jersey, and five affirmative votes from Pennsylvania.

Executive Director Resta then invited any further questions on the Resolution. No further questions were presented, and the Resolution was unanimously adopted.

PLACEMENT OF MEDICARE-ELIGIBLE-RETIREE MEDICAL AND PRESCRIPTION INSURANCE. JANUARY 1, 2025 – DECEMBER 31, 2025

R: 5047-11-24-INS-04-11-24

Executive Director Resta addressed the Meeting and asked the Commission Members, if, after their review, there were any questions.

At the conclusion of the review, Commissioner Lavery moved and Commissioner Christy seconded the adoption of the following Resolution:

"RESOLVED: By the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 25th day of November 2024, that the Commission authorizes the Executive Director to affect the placement of the Medicare-eligible retiree medical and prescription insurance plans administered by NEBCO/AMWINS with the medical and prescription insurers Transamerica and Humana for eligible retirees and dependents who are sixty-five years and older. That coverage is to be provided at the current benefit levels on an insured premium basis at a monthly rate per enrollee of \$527.44, reflecting overall increase of 5.2%, for the one-year period January 1, 2025, through December 31, 2025."

Executive Director Resta reported that there were four affirmative votes from New Jersey, and four affirmative votes from Pennsylvania.

Vice Chair Janvey addressed the meeting and said:

As a former commission employee, who receives retiree health benefits, I abstain from voting on this resolution and have recused myself from any deliberation on this issue.

Executive Director Resta addressed the meeting and said:

For the record, Commissioner Janvey provided an abstention for this vote. The resolution passes.

Executive Director Resta then invited any further questions on the Resolution. No further questions were presented, and the Resolution was adopted.

LIFE INSURANCE PLAN YEARS, JANUARY 1, 2025, THROUGH DECEMBER 31, 2026, FOR RETIREES

R: 5048-11-24-INS-05-11-24

Executive Director Resta addressed the Meeting and asked the Commission Members, if, after their review, there were any questions.

At the conclusion of the review, Commissioner Laurenti moved and Commissioner Shahid seconded the adoption of the following Resolution:

"RESOLVED: By the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 25th Day of November 2024, that the Commission authorizes the Executive Director to affect the renewal of our group life insurance policy for Retirees with Mutual of Omaha for a two (2) year period commencing January 1, 2025, through December 31, 2026."

Vice Chair Janvey addressed the meeting and said:

As a former commission employee, who receives retiree benefits, I abstain from voting on this resolution and have recused myself from any deliberation on this issue.

Executive Director Resta addressed the meeting and said:

Thank you. For the record, Commissioner Janvey recused on this matter. The resolution passes.

Executive Director Resta reported that there were four affirmative votes from New Jersey, and four affirmative votes from Pennsylvania.

Executive Director Resta then invited any further questions on the Resolution. No further questions were presented, and the Resolution was adopted.

RENEWAL OF PROPERTY INSURANCE POLICIES

R: 5049-11-24-INS-06-11-24

Executive Director Resta addressed the Meeting and asked the Commission Members, if, after their review, there were any questions.

At the conclusion of the review, Chairman Komjathy moved and Vice Chair Janvey seconded the adoption of the following Resolution:

"RESOLVED: By the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 25th Day of November 2024, that the Commission authorizes the renewal of the following Property insurance policies as recommended by Brown & Brown in their presentation dated November 20, 2024, for the term December 31, 2024, through December 31, 2025: Bridge Property (Primary and Excess) including Flood, Bridge Terrorism, Buildings, Contents and Excess Flood Contractors Equipment, Boiler and Machinery

"RESOLVED: That the Commission authorizes the Executive Director to affect the renewal of the aforementioned Property insurance policies."

Commissioner Ciesla addressed the meeting and said:

Joe, I'm going to abstain from this one because of my employment.

Executive Director Resta addressed the meeting and said:

Thank you. For the record, Commissioner Ciesla abstained on this resolution. The resolution passes.

Executive Director Resta reported that there were three affirmative votes from New Jersey, and five affirmative votes from Pennsylvania.

Executive Director Resta then invited any further questions on the Resolution. No further questions were presented, and the Resolution was adopted.

RENEWAL OF LIABILITY AND BUSINESS TRAVEL ACCIDENT INSURANCE POLICIES

R: 5050-11-24-INS-07-11-24

Executive Director Resta addressed the Meeting and asked the Commission Members, if, after their review, there were any questions.

At the conclusion of the review, Commissioner Shahid moved and Commissioner Lavery seconded the adoption of the following Resolution:

"RESOLVED: By the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 25th Day of November 2024, that the Commission authorizes the renewal of the following liability and Business Travel Accident insurance policies as recommended by Brown & Brown in their presentation dated November 20, 2024 for the term December 31, 2024 through December 31, 2025: Directors & Officers/Employment Practices Liability, Fiduciary Liability, Cyber Liability, Crime, Professional Liability (A&E), General Liability, Commercial Auto Liability and Physical Damage, Drone Liability and the renewal of The Business Travel Accident policy for a three-year term December 31, 2024 through December 31, 2027

"RESOLVED: that the Commission authorizes the Executive Director to affect the renewal of the aforementioned Liability and Business Travel Accident insurance policies."

Commissioner Ciesla addressed the meeting and said:

I have to abstain on this one, too.

Executive Director Resta addressed the meeting and said:

Thank you. For the record, that was Commissioner Ciesla abstaining on this. The resolution passes.

Executive Director Resta reported that there were three affirmative votes from New Jersey, and five affirmative votes from Pennsylvania.

Executive Director Resta then invited any further questions on the Resolution. No further questions were presented, and the Resolution was adopted.

WORKERS' COMPENSATION INSURANCE RENEWAL PLAN YEAR DECEMBER 31, 2024, THROUGH DECEMBER 31, 2025

R: 5051-11-24-INS-08-11-24

Executive Director Resta addressed the Meeting and asked the Commission Members, if, after their review, there were any questions.

At the conclusion of the review, Vice Chair Janvey moved and Commissioner Laurenti seconded the adoption of the following Resolution:

"RESOLVED: By the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 25th Day of November 2024, that as recommended by Brown & Brown, our broker for Workers' Compensation coverage, the Commission authorizes the Executive Director to affect the purchase of Workers' Compensation insurance coverage from Crum & Forster on a pre-funded large deductible program with cash collateral for policy year commencing December 31, 2024, to December 31, 2025."

Executive Director Resta reported that there were four affirmative votes from New Jersey, and five affirmative votes from Pennsylvania.

Commissioner Ciesla addressed the meeting and said:

I was able to vote on this one.

Executive Director Resta addressed the meeting and said:

Thank you. The resolution passes.

Executive Director Resta then invited any further questions on the Resolution. No further questions were presented, and the Resolution was unanimously adopted.

RENEWAL OF UNDERGROUND STORAGE TANK INSURANCE POLICY

R: 5052-11-24-INS-09-11-24

Executive Director Resta addressed the Meeting and asked the Commission Members, if, after their review, there were any questions.

At the conclusion of the review, Commissioner Lavery moved and Vice Chair Janvey seconded the adoption of the following Resolution:

"RESOLVED: By the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 25th Day of November 2024, that the Commission authorizes renewal of the following insurance policy with incumbent carrier for the term December 1, 2024, to December 1, 2025: Pollution Liability Coverage: Underground Tank, E-P

"RESOLVED: that the Commission authorizes the Executive Director to affect this renewal, as applicable, of the aforementioned insurance policy."

Commissioner Ciesla addressed the meeting and said:

I do have to abstain on this one, too.

Executive Director Resta addressed the meeting and said:

For the record, that was Commissioner Ciesla abstaining on this resolution. The resolution passes.

Executive Director Resta reported that there were three affirmative votes from New Jersey, and five affirmative votes from Pennsylvania.

Executive Director Resta then invited any further questions on the Resolution. No further questions were presented, and the Resolution was adopted.

NEW JERSEY E-ZPASS SERVICES (NEXT GENERATION CSC SERVICES), CAPITAL PROJECT 2322A, CONTRACT DB-791A

R: 5053-11-24-ADM-05-11-24

Executive Director Resta addressed the Meeting and asked the Commission Members, if, after their review, there were any questions.

At the conclusion of the review, Chairman Komjathy moved and Vice Chair Janvey seconded the adoption of the following Resolution:

"RESOLVED: By the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 25th Day of November 2024, that the Commission hereby authorizes the Executive Director to execute all agreements with the New Jersey Turnpike Authority ("Authority"), TransCore, LP (Category A - Customer Service Center Services), Emovis Operations North America, Inc. (Category B – License Plate Review Services), Linebarger Goggan Blair & Sampson, LLP and Professional Account Management, LLC (Category C – Collection Services) and a party to be determined for Category D – Merchant Services. The Authority is the lead agency of the New Jersey E-ZPass Group, which includes the South Jersey Transportation Authority ("SJTA"), the Delaware River Port Authority ("DRPA"), the Delaware River and Bay Authority ("DRBA"), the Delaware River Joint Toll Bridge Commission ("DRJTBC"), the Burlington County Bridge Commission ("BCBC") and the Cape May County Bridge Commission (CMCBC). Each agency operates and maintains its independent toll collection system that interfaces with the New Jersey E-ZPass Customer Service Center.

"RESOLVED: Identify the General Reserve Fund and the Operating Fund as the source of funds required for payment of any invoices.

"RESOLVED: The Executive Director is hereby authorized to approve and execute all necessary contracts on behalf of the Commission."

Executive Director Resta reported that there were four affirmative votes from New Jersey, and five affirmative votes from Pennsylvania.

Executive Director Resta then invited any further questions on the Resolution. No further questions were presented, and the Resolution was unanimously adopted.

STRUCTURAL/CIVIL TASK ORDER AGREEMENT, CONTRACT C-802A, AWARD OF CONTRACT

R: 5054-11-24-ENG-01-11-24

Executive Director Resta addressed the Meeting and asked the Commission Members, if, after their review, there were any questions.

At the conclusion of the review, Commissioner Laurenti moved and Commissioner Christy seconded the adoption of the following Resolution:

"RESOLVED: By the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 25th Day of November 2024, that the Commission award Contract No. C-802A, Structural/Civil Task Order Agreement, to TPD, Inc. of Freehold, NJ for a twenty-four (24) month period for an amount not-to-exceed \$1,000,000.

"RESOLVED: Identify the General Reserve Fund as the source of funds required for payment of any invoices.

"RESOLVED: The Executive Director is hereby authorized to approve and execute all necessary contracts on behalf of the DRJTBC."

Executive Director Resta reported that there were four affirmative votes from New Jersey, and five affirmative votes from Pennsylvania.

Executive Director Resta then invited any further questions on the Resolution. No further questions were presented, and the Resolution was unanimously adopted.

UHLERSTOWN-FRENCHTOWN TOLL-SUPPORTED BRIDGE REHABILIATION CM/CI SERVICES, CONTRACT CM-642A, AUTHORIZATION TO NEGOTIATE

R: 5055-11-24-ENG-02-11-24

Executive Director Resta addressed the Meeting and asked the Commission Members, if, after their review, there were any questions.

At the conclusion of the review, Chairman Komjathy moved and Commissioner Shahid seconded the adoption of the following Resolution:

"RESOLVED: By the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 25th Day of November 2024, that the Commission authorize the Executive Director to negotiate scope and fee with the Consultant(s) whose proposal has been deemed qualified through the RFP procurement process and determined to be fair, reasonable and in the best interest of the Commission.

"RESOLVED: Identify the General Reserve Fund as the source of funds required for payment of any invoices.

"RESOLVED: The Executive Director is hereby authorized to approve and execute all necessary contracts on behalf of the DRJTBC."

Executive Director Resta reported that there were four affirmative votes from New Jersey, and five affirmative votes from Pennsylvania.

Executive Director Resta then invited any further questions on the Resolution. No further questions were presented, and the Resolution was unanimously adopted.

IN-LANE ALL ELECTRONIC TOLL COLLECTION SYSTEM DESIGN, BUILD AND MAINTAIN, CAPITAL PROJECT-VARIOUS, CONTRACT DB-792A

R: 5056-11-24-ENG-03-11-24

Executive Director Resta addressed the Meeting and asked the Commission Members, if, after their review, there were any questions.

At the conclusion of the review, Commissioner Lavery moved and Commissioner Shahid seconded the adoption of the following Resolution:

"RESOLVED: By the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 25th Day of November 2024, that the Commission authorize the Executive Director to Execute the In-Lane All Electronic Toll Collection System Design, Build and Maintain, DB-792A agreement with TransCore, of Nashville, TN in the amount of \$71,345,911.00, and identify the General Reserve Fund as the source of funds required for payment of any invoices."

Commissioner Laurenti addressed the meeting and said:

Mr. Resta, may I make a brief comment?

Executive Director Resta addressed the meeting and said:

Yes.

Commissioner Laurenti addressed the meeting and said:

So, while I have not been a proponent of all-electronic tolling, as many of my colleagues on this Commission know, I have come to realize that this is something for the future and we need to move

forward and I very much appreciate the Bridge Commission staff having worked diligently with our employees who are toll collectors on finding other opportunities for them. Thank you.

Executive Director Resta addressed the meeting and said:

Okay. Thank you. This resolution has been motioned and seconded. Commissioners in favor please indicate by saying yes.

Vice Chair Janvey addressed the meeting and said:

Do you have the term of the contract, so the people in the audience don't think we are spending that for one year?

Executive Director Resta addressed the meeting and said:

Hold on one second, folks. Mr. Stracciolini, do you know the term of this contract?

Charles Straccolini, Program Manager of Technology addressed the meeting and said:

The term is 13 years.

Executive Director Resta addressed the meeting and said:

Thank you, sir.

Executive Director Resta reported that there were four affirmative votes from New Jersey, and five affirmative votes from Pennsylvania.

Executive Director Resta then invited any further questions on the Resolution. No further questions were presented, and the Resolution was unanimously adopted.

CREATE TWO TOLL BRIDGE MONITOR I POSITIONS, NORTHERN REGION AND APPOINT THE IDENTIFIED INDIVIDUALS

R: 5057-11-24-PER-01-11-24

Executive Director Resta addressed the Meeting and asked the Commission Members, if, after their review, there were any questions.

At the conclusion of the review, Commissioner Christy moved and Commissioner Lavery seconded the adoption of the following Resolution:

"RESOLVED: By the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 25th Day of November 2024, that the Commission authorizes creation of two Toll Bridge Monitor I positions in the Public Safety & Bridge Security Division and appoint the individuals identified below to those positions. Compensation shall be set at \$58,296 per annum,

for each employee, which is the starting salary for this position. The appointment to be made effective January 2025 and pending satisfactory completion of the required personnel processing. Leon Werkheiser Toll Collector, Leroy Bowman Toll Collector."

Executive Director Resta reported that there were four affirmative votes from New Jersey, and five affirmative votes from Pennsylvania.

Executive Director Resta then invited any further questions on the Resolution. No further questions were presented, and the Resolution was unanimously adopted.

CREATE THREE TOLL-SUPPORTED BRIDGE MONITOR I POSITIONS, SOUTHERN REGION AND APPOINT THE IDENTIFIED INDIVIDUALS

R: 5058-11-24-PER-02-11-24

Executive Director Resta addressed the Meeting and asked the Commission Members, if, after their review, there were any questions.

At the conclusion of the review, Commissioner Laurenti happily moved and Commissioner Shahid seconded the adoption of the following Resolution:

"RESOLVED: By the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 25th Day of November 2024, that the Commission authorizes creation of three Toll Supported Bridge Monitor I positions in the Public Safety & Bridge Security Division and appoint the individuals identified below to those positions. Compensation shall be set at \$58,296 per annum, for each employee, which is the starting salary for this position. The appointment to be made effective January 2025 and pending satisfactory completion of the required personnel processing. Laurie Marino Toll Collector, Colleen VanLuvanee, Toll Collector Gino Hernandez Toll Collector."

Executive Director Resta reported that there were four affirmative votes from New Jersey, and five affirmative votes from Pennsylvania.

Executive Director Resta then invited any further questions on the Resolution. No further questions were presented, and the Resolution was unanimously adopted.

PROMOTION OF MAINTENANCE EMPLOYEES (2) INDIVIDUALS

R: 5059-11-24-PER-03-11-24

Executive Director Resta addressed the Meeting and asked the Commission Members, if, after their review, there were any questions.

At the conclusion of the review, Vice Chair Janvey moved and Commissioner Lavery seconded the adoption of the following Resolution:

"RESOLVED: By the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 25th Day of November 2024, that the Commission authorizes the Executive Director to affect the promotion of the following employees, at the stated salaries at the start of the first pay period after the approval of this Resolution to the classifications indicated below: Joseph Bichler EP Maintenance Worker I \$60,385, Kenneth Terry III NHL Maintenance Worker I \$60,385."

Executive Director Resta reported that there were four affirmative votes from New Jersey, and five affirmative votes from Pennsylvania.

Executive Director Resta then invited any further questions on the Resolution. No further questions were presented, and the Resolution was unanimously adopted.

PROMOTION OF CONTROL CENTER EMPLOYEE (1) INDIVIDUAL

R: 5060-11-24-PER-04-11-24

Executive Director Resta addressed the Meeting and asked the Commission Members, if, after their review, there were any questions.

At the conclusion of the review, Commissioner Lavery moved and Vice Chair Janvey seconded the adoption of the following Resolution:

"RESOLVED: By the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 25th Day of November 2024, that the Commission authorizes the Executive Director to affect the promotion of the following employees, at the stated salaries at the start of the first pay period after the approval of this Resolution to the classifications indicated: Michael Tampier CC Control Center Monitor I, \$59,488."

Executive Director Resta reported that there were four affirmative votes from New Jersey, and five affirmative votes from Pennsylvania.

Executive Director Resta then invited any further questions on the Resolution. No further questions were presented, and the Resolution was unanimously adopted.

APPROVAL OF RETIREMENT BENEFITS, JOSEPH SANCINITO, TOLL COLLECTOR

R: 5061-11-24-PER-05-11-24

Executive Director Resta addressed the Meeting and asked the Commission Members, if, after their review, there were any questions.

At the conclusion of the review, Vice Chair Janvey moved and Commissioner Lavery seconded the adoption of the following Resolution:

"RESOLVED: By the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 25th Day of November 2024, that subject to applicable practices and procedures,

the Commission approves the provision of retirement benefits to Joseph Sancinito, who retired on November 13, 2024."

Executive Director Resta reported that there were four affirmative votes from New Jersey, and five affirmative votes from Pennsylvania.

Executive Director Resta then invited any further questions on the Resolution. No further questions were presented, and the Resolution was unanimously adopted.

APPROVAL OF RETIREMENT BENEFITS, SCOTT SCHALLER, TOLL COLLECTOR

R: 5062-11-24-PER-06-11-24

Executive Director Resta addressed the Meeting and asked the Commission Members, if, after their review, there were any questions.

At the conclusion of the review, Commissioner Laurenti moved and Commissioner Christy gladly seconded the adoption of the following Resolution:

"RESOLVED: By the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 25th Day of November 2024, that subject to applicable practices and procedures, the Commission approves the provision of retirement benefits to Scott Schaller, who is to retire on January 18, 2025."

Executive Director Resta reported that there were four affirmative votes from New Jersey, and five affirmative votes from Pennsylvania.

Executive Director Resta then invited any further questions on the Resolution. No further questions were presented, and the Resolution was unanimously adopted.

APPROVAL OF RETIREMENT BENEFITS, CHRISTINE BAKER, DIRECTOR OF CONTRACT COMPLIANCE

R: 5063-11-24-PER-07-11-24

Executive Director Resta addressed the Meeting and asked the Commission Members, if, after their review, there were any questions.

Executive Director Resta addressed the meeting and said:

Commissioner Janvey, may I have a motion?

Vice Chair Janvey addressed the meeting and said:

I knew you were going to do that. Before I make the motion, I want to say that Christine will be missed, and I have known her for many years. She's worked her way up through the Commission.

And I'm always happy to see minority women get promoted like she did. I make the motion. We are going to miss her.

Executive Director Resta addressed the meeting and said:

Thank you. Commissioner Lavery, may I have a second?

At the conclusion of the review, Vice Chair Janvey moved and Commissioner Lavery seconded the adoption of the following Resolution:

"**RESOLVED:** By the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 25th Day of November 2024, that subject to applicable practices and procedures, the Commission approves the provision of retirement benefits to Christine Baker, who is to retire on February 7, 2025."

Executive Director Resta reported that there were four affirmative votes from New Jersey, and five affirmative votes from Pennsylvania.

Executive Director Resta then invited any further questions on the Resolution. No further questions were presented, and the Resolution was unanimously adopted.

Executive Director Resta addressed the meeting and said:

Coming right back to you, Commissioner Janvey.

Vice Chair Janvey addressed the meeting and said:

I knew you would.

APPROVAL OF RETIREMENT BENEFITS, KAREN IRELAND, TOLL BRIDGE LIEUTENANT

R: 5064-11-24-PER-08-11-24

Executive Director Resta addressed the Meeting and asked the Commission Members, if, after their review, there were any questions.

Executive Director Resta addressed the meeting and said:

Commissioner Janvey, may I have a motion?

Vice Chair Janvey addressed the meeting and said:

Once again, happy to make the motion. I have known Karen Ireland since she has come to work for the Commission at the age of 18. She's worked her way through as a toll collector, as a corporal, a sergeant and now lieutenant and, once again, as a minority woman and I'm happy to see it, but I am very sorry to see her leave. I make a motion to accept her retirement.

Executive Director Resta addressed the meeting and said:

Thank you. Commissioner Laurenti, may I have a second?

At the conclusion of the review, Vice Chair Janvey moved and Commissioner Laurenti seconded the adoption of the following Resolution:

"RESOLVED: By the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 25th Day of November 2024, that subject to applicable practices and procedures, the Commission approves the provision of retirement benefits for Karen Ireland, who is to retire on January 24, 2025."

Executive Director Resta reported that there were four affirmative votes from New Jersey, and five affirmative votes from Pennsylvania.

Executive Director Resta then invited any further questions on the Resolution. No further questions were presented, and the Resolution was unanimously adopted.

Executive Director Resta addressed the meeting and said:

As is common with past practice, we will recite all of our ratifications of legal invoices in a group and do one voice vote for passage of same.

APPROVAL FOR PAYMENT OF INVOICES, CHIESA, SHAHINIAN & GIANTOMASI, NJ LABOR COUNSEL

R: 5065-11-24-ACCT-01-11-24

Executive Director Resta addressed the Meeting and asked the Commission Members, if, after their review, there were any questions.

At the conclusion of the review, Chairman Komjathy moved and Vice Chair Janvey seconded the adoption of the following Resolution:

"RESOLVED: By the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 25th Day of November 2024, authorizes payment of invoices #622975, and #622974, in the total amount due of \$ 3,882.80 for professional services rendered by Chiesa, Shahinian & Giantomasi, New Jersey Labor Counsel.

"RESOLVED: Identifying the Operating Fund as the source of funds required for any and all disbursements."

Executive Director Resta reported that there were four affirmative votes from New Jersey, and five affirmative votes from Pennsylvania.

Executive Director Resta then invited any further questions on the Resolution. No further questions

were presented, and the Resolution was unanimously adopted.

APPROVE PAYMENT OF INVOICES, ARCHER LAW, PA GENERAL COUNSEL

R: 5066-11-24-ACCT-02-11-24

Executive Director Resta addressed the Meeting and asked the Commission Members, if, after their review, there were any questions.

At the conclusion of the review, Chairman Komjathy moved and Vice Chair Janvey seconded the adoption of the following Resolution:

"RESOLVED: By the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 25th Day of November 2024, authorizes payment of invoices #4336582, #4336581, #4336580, #4336579, and #4336578 in the total amount of \$12,600.00 for Professional Services Rendered.

"RESOLVED: Identifying the Operating Fund as the source of funds required for any and all disbursements."

Executive Director Resta reported that there were four affirmative votes from New Jersey, and five affirmative votes from Pennsylvania.

Executive Director Resta then invited any further questions on the Resolution. No further questions were presented, and the Resolution was unanimously adopted.

APPROVE PAYMENT OF INVOICES, STRADLEY RONON, PA LABOR COUNSEL

R: 5067-11-24-ACCT-03-11-24

Executive Director Resta addressed the Meeting and asked the Commission Members, if, after their review, there were any questions.

At the conclusion of the review, Chairman Komjathy moved and Vice Chair Janvey seconded the adoption of the following Resolution:

"RESOLVED: By the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 25th Day of November 2024, authorizes payment of invoice #24092312 in the total amount of \$1,475.00.

"RESOLVED: Identifying the Operating Fund as the source of funds required for any and all disbursements."

Executive Director Resta reported that there were four affirmative votes from New Jersey, and five affirmative votes from Pennsylvania.

Executive Director Resta then invited any further questions on the Resolution. No further questions

were presented, and the Resolution was unanimously adopted.

APPROVE PAYMENT OF INVOICES, FLORIO, PERRUCCI, STEINHARDT AND CAPPELLI, NJ GENERAL COUNSEL

R: 5068-11-24-ACCT-04-11-24

Executive Director Resta addressed the Meeting and asked the Commission Members, if, after their review, there were any questions.

At the conclusion of the review, Chairman Komjathy moved and Vice Chair Janvey seconded the adoption of the following Resolution

"RESOLVED: By the Delaware River Joint Toll Bridge Commission at its Regular Meeting assembled this 25th Day of November 2024, authorizes payment of invoice #637206 in the total amount due of \$ 1,125.00.

"RESOLVED: Identifying the Operating Fund as the source of funds required for any and all disbursements."

Executive Director Resta reported that there were four affirmative votes from New Jersey, and four affirmative votes from Pennsylvania.

Executive Director Resta then invited any further questions on the Resolution. No further questions were presented, and the Resolution was unanimously adopted.

INVITE ANY COMMENTS FROM THE PUBLIC

Executive Director Resta addressed the meeting and said:

This is the point in the meeting where we invite comments, new business comments. We will start with our folks in the room, the first of which is Ron Weber.

Ron Weber, of Washington Crossing PA. addressed the meeting and said:

No comment.

Executive Director Resta addressed the meeting and said:

Ron Weber, no comment. Thank you. Megan Price, our employee, do you wish to make comment? She left. Kathleen Pisauro, Upper Makefield.

Kathleen Pisauro of Upper Makefield PA. addressed the meeting and said:

I was just wondering when the consultant would have -- do you have any idea when that report would be delivered?

Executive Director Resta addressed the meeting and said:

Yes. In about 28 months. It's a 30-month duration contract.

Kathleen Pisauro of Upper Makefield PA addressed the meeting and said:

Thank you.

Chairman Komjathy addressed the meeting and said:

Hey, Joe, I couldn't hear.

Executive Director Resta addressed the meeting and said:

You are going to have a tough time hearing these individuals. I'm sorry. We are having technical difficulties.

Chairman Komjathy addressed the meeting and said:

Could someone repeat the question?

Executive Director Resta addressed the meeting and said:

Ms. Pisauro asked when the report from the consultant for Washington Crossing was going to be delivered. And I answered in 28 months.

Chairman Komjathy addressed the meeting and said:

Twenty-eight months.

Executive Director Resta addressed the meeting and said:

Tim Thomas, Upper Makefield.

Tim Thomas of Upper Makefield PA addressed the meeting and said:

Mr. Resta, Commissioners, during the American Revolutionary War, the Sons of Liberty often convened under the nation's original liberty tree in Boston to discuss their opposition to British rule and the colonies. This historic tree became a beacon of hope to colonists and a symbol of American freedom. In an attempt to stymie these colonists, the British destroyed Boston's liberty tree, and some of the patrons throughout the 13 colonies began to designate new liberty trees. The last known original liberty tree sat on the campus of Saint John's University in Maryland until it was destroyed by Hurricane Floyd in 1999. Today seeds from a sign on the original tree are being collected, grown into seedlings and planted across the Commonwealth. Generously sponsored by and in partnership with the Pennsylvania Free Masons, America's 250 PA liberty tree project includes a certified liberty tree planted in each of Pennsylvania's 67 counties beginning in the fall

of 2021 through 2026. So, I'm happy to announce that a tree was planted last month in Washington Crossing Park right near the bridge. So, I just wanted you to know the historic significance of that and how intertwined the bridge is with the history of our country. We look forward to working with you for the 250 PA which will be July 4th, 2026, and, Mr. Resta, if I can comment on a comment, you made a few meetings ago, I can assure you that there is no disinformation being spread by the Upper Makefield Board of Supervisors. Our only wish is to work with this Commission to have a safe bridge that respects the history of Washington Crossing. I wish you all a very safe and Happy Thanksgiving.

Vice Chair Janvey addressed the meeting and said:

Thank you, you too.

Executive Director Resta addressed the meeting and said:

Thank you, sir. Tom Cino, Upper Makefield.

Tim Cino of Upper Makefield PA addressed the meeting and said:

Tom Cino, Upper Makefield Supervisor. As you know, our community remains opposed to the construction of the new bridge which negatively impacts the character of our community, and we are thankful for any and all of your efforts to that bridge. Thank you.

Executive Director Resta addressed the meeting and said:

Heather Buckley, Lambertville.

Heather Buckley of Lambertville addressed the meeting and said:

Hi. I work at one of the businesses near the bridge and at this time I'm wondering if there are any updates that can be shared about the January closure schedule and if there has been any updated projections for the bridge opening in the spring of 2025.

Executive Director Resta addressed the meeting and said:

Yes. This is as of this morning. So, we have -- as you know, the Commission has been working to --

Chairman Komjathy addressed the meeting and said:

Joe? Joe?

Executive Director Resta addressed the meeting and said:

Yes.

Chairman Komjathy addressed the meeting and said:

Excuse me. I didn't hear the question, so could I --

Executive Director Resta addressed the meeting and said:

The question was an update on the schedule for New Hope-Lambertville Toll Supported Bridge.

Chairman Komjathy addressed the meeting and said:

Okay. Sorry about that.

Executive Director Resta addressed the meeting and said:

Okay. Thank you, Chair. So, we actually have installed the friction collar in the area where we have some issues with a pin that holds a controlling joint together. It was pretensioned. It's not pretensioned all the way, but it was -- will be pretensioned or tensioned all the way -- I'm sorry -- in January. It's a little complicated. I'm sorry about that. So, we're looking to start the closure, the two-week closure January the 13th.

Heather Buckley of Lambertville addressed the meeting and said:

Was there any projection on the opening of the bridge altogether?

Executive Director Resta addressed the meeting and said:

Two weeks after that. So, we're going to remain with one lane of traffic. It's really probably over the next week or so, we would be removing the temporary walkway and transitioning to the permanent walkway for pedestrians, but we are going to keep one lane of traffic until the bridge is fixed totally.

Heather Buckley of Lambertville addressed the meeting and said:

Thank you.

Executive Director Resta addressed the meeting and said:

Carolyn Gadbois, Lambertville.

Carolyn Gadbois of Lambertville addressed the meeting and said:

Hello, commissioners. Good to see you all again. Heather actually covered most of my questions. During that two-week construction period where the bridge is going to be closed, will the walkway be open also?

Executive Director Resta addressed the meeting and said:

No.

Carolyn Gadbois of Lambertville addressed the meeting and said:

Completely closed during that period of time. Will the shuttle be in operation during that time?

Executive Director Resta addressed the meeting and said:

Yeah. I believe so.

Carolyn Gadbois of Lambertville addressed the meeting and said:

Okay. Excellent. Will there be an updated schedule, shuttle schedule that the Chamber of Commerce can help share with the communities? Because we are looking for the employees on either side of the bridge that would need to utilize the shuttle.

Executive Director Resta addressed the meeting and said:

Yeah. We can get that out.

Carolyn Gadbois of Lambertville addressed the meeting and said:

Okay. Excellent. And there's -- again, thank you so much for working with us on the Turkey Trot for this year. We are -- at this point we have over like 850 people pre-registered which is pretty significant, so we are implementing a nice, staggered start. We are also going to proceed with walkers who are slower moving and can clog up the kind of pathway. We are diverting them to an entirely different path, so we will not utilize the walkway for that purpose. During the Turkey Trot, we have managed to sort of divert them and we are going to run the run at a very paced way so that we can, you know, ensure the safety of everybody on the bridge. So, thank you so much. Appreciate you all. Happy Thanksgiving.

Executive Director Resta addressed the meeting and said:

Thank you. Are there on-line attendees that wish to make comment.

Yvette Taylor, Chair of the Upper Makefield Board of Supervisors addressed the meeting and said:

You asked if there was anyone on-line that would like to make a comment? Yes. I have a question.

Executive Director Resta addressed the meeting and said:

Please state your name and your town of residence, for the record, please.

Yvette Taylor, Chair of the Upper Makefield Board of Supervisors addressed the meeting and said:

Sure. Yvette Taylor. I'm chair of Upper Makefield Supervisors. And I just wanted to thank you for the communication you sent to Upper Makefield the early part of November. It was communication pertaining to access to the township's right of way for some of the data gathering regarding the bridge. In that communication, you also mentioned /assured us of extensive public involvement in the whole process and you mentioned the development of a website for the project. I'm trying to find out maybe the status of that website since you did mention this is a report that you are trying to accomplish in 28 months. So, is the website up or could you give us an idea when that website might be available for participation?

Executive Director Resta addressed the meeting and said:

The website is — I think the initial website is nearly complete and will be posted. It will contain initial information about the overall NEPA process for this engagement and then basically that's all we have for quite a while until we actually get a chance to do the work, gather the data and start to develop alternatives. I don't have an exact —

Yvette Taylor, Chair of the Upper Makefield Board of Supervisors addressed the meeting and said:

Thank you for that information. I'm sorry. Say that again. Oh, you don't know the exact date.

Executive Director Resta addressed the meeting and said:

I don't have an exact date on the website.

Yvette Taylor, Chair of the Upper Makefield Board of Supervisors addressed the meeting and said:

Thank you.

Executive Director Resta addressed the meeting and said:

Thank you. Anyone else participating by Teams that wishes to make public comment? Thank you.

SCHEDULING OF THE DECEMBER 23, 2024, MEETING

Executive Director Resta addressed the Meeting and stated that the Commission's next meeting is scheduled to be held Monday, December 23, 2024.

This meeting will be called to Order at 10:30 a.m. at the Scudder Falls Administration Building, 1199 Woodside Road, Yardley, PA 19067.

Executive Director Resta assured the Commission Members that an "Official Notice of Meeting" would be forwarded to each and every Member of the Commission.

Executive Director Resta addressed the meeting and said:

May we have a motion for adjournment?

ADJOURNMENT

Vice Chair Janvey then moved that the Meeting be adjourned, and Chairman Komjathy seconded. The voice vote was unanimously affirmative, and the Meeting was adjourned at 11:22 a.m., Monday, November 25, 2024.

Data Updated: ~REPORT~: 11/01/2024 13:08

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION Meeting of November 25, 2024 TOLL TRAFFIC AND REVENUE STATISTICS (October 2024)

Summary: The Commission recorded an increase in total toll revenue for October 2024 in comparison to the October 2023 traffic and revenue statistics. Total toll traffic also reflected an increase for the month of the October. [It should be noted that 2024 is a leap year. In addition, the Commission had a toll rate increase for Class 1 and Class 11 vehicles effective January 7, 2024].

Analysis of October 2024 / October 2023 toll revenue data comparison:

- Total toll revenue increased by \$1,543,975 or 9.21 percent at the Commission's eight toll bridges for the month of October.
- Commercial-vehicle toll revenue increased \$565,859 for a 4.86 percent increase.
- Passenger-vehicle toll revenue increased \$978,116 for a 19.07 percent increase.

Analysis of October 2024 / October 2023 traffic data comparison:

- Total toll traffic increased by **176,653** vehicles, or 4.42 percent for the month.
- Commercial-vehicle traffic increased by 30,845 vehicles, or 5.07 percent.
- Passenger-vehicle toll traffic increased by 145,808 vehicles, or 4.31 percent.
- Average daily toll traffic for the Commission's toll bridges for October 2024 was 134,480 total vehicles as compared to the 128,781 total vehicles recorded in October 2023, an increase on average of 5,699 vehicles a day.
- Total recorded westbound traffic volume at the toll supported bridges for October 2024 increased by 29,520 vehicles, or 1.6 percent as compared to October 2023. Average daily westbound traffic on the toll supported bridges was 59,367 vehicles in October 2024 as compared to 58,415 vehicles in October 2023.

Traffic analysis for 2024 YTD:

- Total YTD toll traffic for the eight toll bridges is reflecting a 1.73 percent increase for the first ten months of 2024 as compared to the same ten-month period in 2023.
- Westbound traffic on the ten toll supported bridges reflects a 0.03 percent decrease through the first ten months of 2024 when compared to 2023.

REGION REVIEW:

Southern Region

Total toll traffic at Trenton-Morrisville (TM) reflected a 5.19 percent increase for October 2024 when compared to October 2023 as the result of the increases of 35,766 cars and 585 trucks. The Scudder Falls Bridge recorded a 6.81 percent increase in total toll traffic for October 2024 when compared to October 2023 as the result of increases of 45,664 cars and 1,723 trucks. At New Hope-Lambertville (NHL), an increase of 10,447 cars combined with an increase of 2,559 trucks resulted in an overall increase of 8.63 percent in total toll traffic for October 2024 as compared to October 2023.

Central Region

The I-78 Toll Bridge recorded an increase of 2.49 percent in total toll traffic for the month of October 2024 when compared to October 2023 as the result of the increases of 11,250 cars and 12,355 trucks. At the Easton-Phillipsburg (EP) Toll Bridge, an increase of 11,465 passenger vehicles combined with an increase of 4,839 trucks generated a 3.54 percent increase in total toll traffic for October 2024 as compared to October 2023.

Northern Region

Portland-Columbia (PC) recorded a 3.82 percent increase in total toll traffic during October 2024 compared to October 2023 as the result of increases of 2,986 automobiles and 1,634 trucks. At the Delaware Water Gap (DWG) Toll Bridge, the increase of 26,325 passenger vehicles and the increase of 6,677 trucks generated a 4.06 percent increase in total toll traffic for October 2024 when compared to October 2023. At Milford-Montague (MM), an increase of 1,905 passenger vehicles combined with an increase of 473 trucks produced a 2.32 percent increase in total toll traffic for the month of October 2024 as compared to October 2023.

E-ZPass Penetration Rates

The table below provides a comparison of the *E-ZPass* penetration rates for the Commission's eight (8) toll bridges for the months of October 2024 and October 2023, and the year-to-date periods ending October 31, 2024 and October 31, 2023.

The Commission implemented toll-by-plate functionality at seven toll plazas in January 2024 and changed the way to calculate the E-ZPass Penetration rate for those seven toll bridges to be similar with how the calculation is completed at its AET Scudder Falls Bridge. For all toll bridges, E-ZPass penetration rate is now calculated by dividing the sum of E-ZPass transactions and itoll/vtoll transactions, over total transaction volume. Prior to year 2024, for non-AET bridges, E-ZPass penetration rate was calculated by dividing all non-cash transactions, which includes both E-ZPass and violation transactions, over total transaction volume. Starting 11pm on June 16th, 2024, the Commission ceased cash toll collections at NH, PC and MM, which impacted EZPass Penetration rate for those three plazas.

^{* &}quot;Discounts" The Commuter Discount was eliminated effective January 1st, 2024. The commuter discount reported in the January 2024 Comparatives represented the discounts issued for trips made in December 2023. "Discounts" now represents adjustments for employee and Commission vehicle non-revenue crosssings.

NOTE: On January 7, 2024 the Commission increased the *E-ZPass* toll rate for both Class 1 and Class 11 vehicles. The *E-ZPass* toll rate for a Class 1 vehicle was raised from \$1.25 to \$1.50 and the *E-ZPass* toll rate for a Class 11 vehicle was raised from \$3.25 to \$3.50

Total	1,840,374	1,810,854	1.6%	17,949,444	17,955,382	0.0%

NOTES:

- 1. There has been a significant increase in EB traffic due to several counter recalibrations throughout the year. Construction on US Route 29 in New Jersey in both directions may affect counts. Traffic counts will continue to be monitored monthly.
- 2. On January 30, 2024, eastbound traffic detour set in place due to construction under Contract No. TS-694A NH-L TSB Rehabilitation. Detour expected to remain in place into 2025. Eastbound traffic is detoured over the NH-L Toll Bridge. Counter was permanently relocated to the PA approach on September 9, 2024. Traffic counts will continue to be monitored monthly.
- 3. October 2023 traffic counts were inaccurate due to the counter under-counting vehicles. The increase from October 2023 to October 2024 was due to a recalibration, reconfiguration, and repositioning of the counter between June 13, 2024 and June 26, 2024, which has yielded more accurate counts to date. Traffic counts will continue to be monitored monthly. On August 1, 2024, CR 619 in New Jersey was closed due to bridge construction between the Uhlerstown-Frenchtown TSB and the Upper Black Eddy-Milford TSB. CR 619 is expected to be closed through December 2024.
- 4. Total traffic volume appears to be correct. However, based on the geometry on the bridge, the location of the traffic sensor, and the driving habits of motorists, we will continue to monitor the Eastbound/Westbound directional percentage split.

*Due to the narrowness of many of the toll-supported bridges, some vehicles drive over the centerline when there is no oncoming traffic, causing directional misclassification.

*With the upgrade of the traffic counting sensors in 2023, there have been some significant drops in traffic counts at some locations. Commission Staff has been in communication with the vendor, Signal Service, and is working to adjust and verify the new sensors are reporting as accurate as possible. In doing so, we have identified the previous counters may have been inaccurate at times at some of the locations. This could be caused by a number of factors including being out of calibration, double counting due to microwave reflections and/or driver behavior (i.e. straddling the lane line when no opposing traffic is coming) and also the geometry at those specific sites. Signal Service has been to the sites and verified counts and the newer sensors are within a margin of error of 5-7%. Sites where our counts are 10-15% lower than previous years are believed to be as a result of more accurate counts. Sites with counts greater than 15% differences from last year are being examined, will be visited and recalibrated, or counter hardware will be physically moved to see if we can achieve better results. Once Signal Service and the Commission Staff agree the counts are accurate, they will serve as a new baseline for our traffic counts. Going forward, Signal Service will perform routine recalibrations and documented verification counts quarterly at the sites to assure the Commission that the counters are recording traffic accurately.

On August 1, 2024, CR 619 in New Jersey was closed due to bridge construction between the Uhlerstown-Frenchtown TSB and the Upper Black Eddy-Milford TSB. CR 619 is expected to be closed through December 2024.
- 4. Total traffic volume appears to be correct. However, based on the geometry on the bridge, the location of the traffic sensor, and the driving habits of motorists, we will continue to monitor the Eastbound/Westbound directional percentage split.

*Due to the narrowness of many of the toll-supported bridges, some vehicles drive over the centerline when there is no oncoming traffic, causing directional misclassification.

"With the upgrade of the traffic counting sensors in 2023, there have been some significant drops in traffic counts at some locations. Commission Staff has been in communication with the vendor, Signal Service, and is working to adjust and verify the new sensors are reporting as accurate as possible. In doing so, we have identified the previous counters may have been inaccurate at times at some of the locations. This could be caused by a number of factors including being out of calibration, double counting due to microwave reflections and/or driver behavior (i.e. straddling the lane line when no opposing traffic is coming) and also the geometry at those specific sites. Signal Service has been to the sites and verified counts and the newer sensors are within a margin of error of 5-7%. Sites where our counts are 10-15% lower than previous years are believed to be as a result of more accurate counts. Sites with counts greater than 15% differences from last year are being examined, will be visited and recalibrated, or counter hardware will be physically moved to see if we can achieve better results. Once Signal Service and the Commission Staff agree the counts are accurate, they will serve as a new baseline for our traffic counts. Going forward, Signal Service will perform routine recalibrations and documented verification counts quarterly at the sites to assure the Commission that the counters are recording traffic accurately.

Total	2,758,825	2,641,137	4.5%	26,205,274	26,525,205	-1.2%

NOTES:

- 1. There has been a significant increase in EB traffic due to several counter recalibrations throughout the year. Construction on US Route 29 in New Jersey in both directions may affect counts. Traffic counts will continue to be monitored monthly.
- 2. On January 30, 2024, eastbound traffic detour set in place due to construction under Contract No. TS-694A NH-L TSB Rehabilitation. Detour expected to remain in place into 2025. Eastbound traffic is detoured over the NH-L Toll Bridge. Counter was permanently relocated to the PA approach on September 9, 2024. Traffic counts will continue to be monitored monthly.
- 3. October 2023 traffic counts were inaccurate due to the counter under-counting vehicles. The increase from October 2023 to October 2024 was due to a recalibration, reconfiguration, and repositioning of the counter between June 13, 2024 and June 26, 2024, which has yielded more accurate counts to date. Traffic counts will continue to be monitored monthly. On August 1, 2024, CR 619 in New Jersey was closed due to bridge construction between the Uhlerstown-Frenchtown TSB and the Upper Black Eddy-Milford TSB. CR 619 is expected to be closed through December 2024.
- 4. Total traffic volume appears to be correct. However, based on the geometry on the bridge, the location of the traffic sensor, and the driving habits of motorists, we will continue to monitor the Eastbound/Westbound directional percentage split.

*Due to the narrowness of many of the toll-supported bridges, some vehicles drive over the centerline when there is no oncoming traffic, causing directional misclassification.

NOTES

- 1. Construction for Contract T-746A (Trenton-Morrisville TB Roadway Paving & Deck Sealing Improvements) began on July 25, 2024, with daily lane closings between 7AM and 3PM.
- 2. On November 1, 2024, an error was found with the June 2024 eastbound traffic counts for Scudder Falls whereby Aux Lane 1 & 2 were not included in the total count. This issue has been corrected and these figures are now included in these tables. This results in an increase in the 2024 YTD Total Volume of 178,784 vehicles.
- 3. On January 30, 2024, eastbound traffic detour set in in place due to construction under Contract No. TS-694A NH-L TSB Rehabilitation. Detour expected to remain in place into 2025. Eastbound traffic from the TSB is detoured over the NH-L Toll Bridge, resulting in an increase of Eastbound traffic over the toll bridge.
- 4. Construction for Contract T-766A I-78 NJ Roadway Rehabilitation and Power & Communication Infrastructure Improvements began on April 15, 2024. Work includes daily and nightly lane closures.
- 5. On December 6, 2022, a portion of Route 611 North of Portland was closed indefinitely after a rockfall occurred in Delaware Water Gap Borough.

Meeting of November 25th, 2024

STATISTICAL SUMMARY OF EXPENDITURES

There follow reports entitled **"Budget vs Actual"** covering the month of October 2024 relative to Toll Bridges, Toll Supported Bridges and Administration Departments.

Total operating expenses plus encumbrance totaled \$6,894,063 for the month of October. For the 2024 fiscal period, total expenses plus encumbrances amounted to \$68,640,591 which represents 86.3% of 2024 year-to-date operating budget.

There were no unusual expenses during the month.

DELAWARE RIVER JOINT TOLL BRIDGE COMMISSION

Meeting of November 25, 2024

MONTHLY PURCHASING REPORT

Month of October 2024

This report itemizes all orders for purchases made for the month of October 2024, showing the divisions chargeable for the expense and the source of authority for issuance of the Purchase Order. This authority is broken into three categories:

- (1) By authority of the Commission
- (2) By authority of the Executive Director or his designate
- (3) By authority of the Director

The purchasing activities for the month of October 2024, culminated in the preparation and placement of 71 purchase orders in the total amount of \$340,782.89. There were no quotes sent out for the month of October.

Significant procurements are shown below:

- ➤ Three (3) Purchase Orders were issued, in the total amount of \$48,809.25 for furniture for the Customer Service Representative/Toll Auditor workstations at the Administration Building at Scudder Falls, I78 and DWG locations;
- ➤ One (1) Purchase Order was issued, in the total amount of \$23,723.01 for parts for the Trenton Makes Sign;
- Two (2) Purchase Orders were issued, in the total amount of \$22,090.86 for ECM condenser fan replacements and labor at the Administration Building at Scudder Falls;
- ➤ One (1) Purchase Order was issued, in the total amount of \$17,743.99 for tree removal at I78;
- ➤ Two (2) Purchase Orders were issued, in the total amount of \$16,800.00 for guiderail and attenuator repairs/replacements at NHL and I78.

In addition to the practices employed incidental to purchase of materials, etc., from vendors on a direct basis, the Commission also purchases via direct utilization of the purchasing processes of the State of New Jersey, the Commonwealth of Pennsylvania and other joint purchasing arrangements.

E-ZPASS REPORT CUSTOMER SERVICE CENTER/VIOLATIONS PROCESSING CENTER (CSC/VPC) OPERATIONS REPORT FOR THE E-ZPASS SYSTEM OCTOBER 2024

CSC/VPC Post-Migration Collection Update:

As a result of post-migration collection efforts from May 2014 – October 2024, New Jersey E-ZPass reports \$22,459,184.65 collected in tolls and \$61,163,062.19 collected in fees.

Collection Account Updates:

CRST Lincoln Sales - August Settlement: DRJTBC received payment in the amount of \$43,188.15 for violation transactions from February 2016 through July 2019. The full outstanding toll in the amount of \$14,428.15 was paid. Conduent receives a percentage share of the administrative fee. Therefore, DRJTBC received payment for the fees in the amount of \$19,185.00. Commission counsel filed a civil complaint for the outstanding amount. General Counsel for CRST International, Inc. and Commission counsel representing Florio Perucci Steinhardt & Capelli negotiated payment for the entire outstanding amount.

<u>Transcom - August Settlement:</u> DRJTBC received payment in the amount of \$5,000.00 representing outstanding tolls from April 2014-October 2018. Commission counsel filed a civil complaint for the outstanding amount. Counsel for Transcom and Commission counsel representing Florio Perucci Steinhardt & Capelli negotiated payment.

TMT Trucking: On 12/19/19, DRJTBC was awarded \$40,000.00 during an arbitration hearing. The defendant as well as the Commission has 30 days to appeal the verdict. The Commission nor the defendant has appealed the verdict. The current outstanding amount owed to the Commission in tolls is \$19,584.00 and \$31,290.00 in fees.

<u>Jhonatan Trucking:</u> Arbitration awarded to the Commission in the amount of \$75,015.50 for outstanding tolls and fees.

<u>Sakoutis Transport LLC</u>: Settlement complete. Check has been received and processed for \$13,250.00.

TEV Corporation: Settlement complete. Check has been received in the amount of \$61,883.43.

- 6. New Jersey Customer Service Center Requirements Meetings

ELECTRONIC TOLL COLLECTION PROGRAM MONTH OF OCTOBER 2024

SUBJECT	DESCRIPTION	PAGE NUMBER
ETC PROGRAM	Electronic Toll Collection Program Report	1-3

ELECTRONIC TOLL COLLECTION PROGRAM MONTH OF OCTOBER 2024

The following items were recently initiated, accomplished or performed during the above noted month:

Activities for the In-Lane Toll System

- 1. TransCore began preparing the remining seven (7) toll plazas for the installation of the Encompass E6 multiprotocol reader. This included installing the cabling from the proposed reader location to each antenna. The preliminary work is complete. As the E6 readers are received they are being prepared for installation.
- 2. Commission Staff are working with TransCore and the NJ E-ZPass CSC provider, Conduent, to implement IAG Interface Control Document (ICD) version 1.60. This will allow CSCs to receive data and process transactions from other transponder protocols such as SeGo and 6C, in addition to the current TDM protocol, as well as other functionalities. Commission Staff coordinated with Conduent and TransCore for the end-to-end final testing. Commission end to end testing is complete. After testing is completed with all agencies within the NJ E-ZPass CSC, go-live will be scheduled, expected to occur in late November 2024.
- 3. TransCore assisted the Commission's pest control company with the treating of the toll plaza canopies.
- 4. Commission Staff and TransCore meet monthly to review and discuss system operational and maintenance items. A weekly call also takes place to briefly review system maintenance items for the week.

Activities for the E-ZPass Customer Service Center/Violation Processing Center

- 1. Commission Staff are working with the New Jersey E-ZPass Customer Service Center (NJ E-ZPass CSC) provider, Conduent, to implement IAG Interface Control Document (ICD) version 1.60. This will allow CSCs to receive data and process transactions from other transponder protocols such as SeGo and 6C, in addition to the current TDM protocol, as well as other functionalities. Commission Staff coordinated with Conduent and TransCore for the end-to-end final testing. Commission end to end testing is complete. After testing is completed with all agencies within the NJ E-ZPass CSC, golive will be scheduled, expected to occur in late November 2024.
- 2. Conduent continues to develop the real time digital payment function at the NJ E-ZPass CSC for toll by plate customers. Conduent revised the terms and conditions that will be displayed on the NJ E-ZPass website and they are being reviewed by the NJTA.

Conduent has released this functionality into the NJ CSC software and they are proceeding with testing it through a small group of individuals.

- 3. For the NJ E-ZPass CSC Services re-procurement, the New Jersey Turnpike Authority (NJTA) awarded the agreements at their Board Meeting. Subsequently, Commission Staff prepared a Summary Statement and Resolution for the Commission to authorize the Executive Director to execute all agreements.
- 4. The NJTA, as the lead agency, is facilitating all meetings with the other agencies and Conduent to manage the implementation of outstanding system elements for the New Jersey E-ZPass Customer Service Cen.

AET Program

- 1. Rummel, Klepper & Kahl, LLP (RK&K) and Commission Staff met with TransCore for a third time to discuss our hard AET conversion and the anticipated use of the South Jersey Transportation Authority procurement for the AET system. This procurement includes provisions that allow all the agencies of the New Jersey E-ZPass Customer Service Center to purchase their toll system. During this meeting, the team reviewed a draft scope of work and discussed revisions to this document. TransCore is working with the draft scope of work to prepare their fee document.
- 2. Mount Construction, the Commission's Job Order Contract (JOC) contractor, completed the sign installation and roadway pavement marking eradication at the New Hope Lambertville Toll Bridge that included, two larger signs that required additional time to procure. These sign changes support the cashless operations at this facility.
- 3. Mr. Stracciolini participated on an on-site project scoping meeting for the signage revisions for AET-in-Place at the Trenton Morrisville, I-78, Easton Phillipsburg, and Delaware Water Gap Toll Bridges. The signage plans were provided to the NJDOT for their information.
- 4. RK&K prepared and submitted the preliminary design plans, specifications and estimate for the New Hope Lambertville Toll Bridge AET conversion. Commission Staff completed the review of the preliminary design submission and comments were provided to RK&K. RK&K completed an inspection of the existing storm water sewer system with help from the Commission's Maintenance Department. RK&K also reviewed on-site the highway lighting wiring and building access control system.

General Electronic Toll Collection Program Activities

- 1. Mr. Stracciolini participated in the IAG E-ZPass Executive Management Committee meeting and Policy Committee meetings. At the August 2023 IAG EMC Meeting, Mr. Stracciolini was re-elected by the members to serve as Vice Chair to the EMC.
- 2. Mr. Stracciolini is participating in the Non-toll Business Opportunity Task Force.
- 3. Mr. Stracciolini is serving on the International Bridge, Tunnel & Turnpike Association's (IBTTA) 2024 Emerging Technologies Task Force.
- 4. Mr. Stracciolini attended the IBTTA Annual Conference.

IBE PROGRAM OVERVIEW

The Delaware River Joint Toll Bridge Commission (Commission) established an IBE Program (MBE/WBE/SBE/DBE/DsBE/VBE) with a target of 25% for all Professional Services and Construction Contracts awarded by the Commission effective July 1, 2014. To date, the Commission has awarded (101) contracts with the IBE Program requirements. Currently, there are (45) active projects and (56) completed projects.

IBE Program Requirements

The Commission began using Elation Systems effective January 2017, as the online system for Payment Verification and Certified Payroll Reporting (CPR). All contracts awarded by the Commission to a Prime Consultant/Prime Contractor and their Subconsultants and Subcontractors use this service free of charge. Online training is available to vendors on how to use Elation Systems. The Contract Compliance Department and Elation Support Staff are available to assist allusers.

The Contract Compliance Department (CCD) monitors, posts and reports data in regards to all payments. The CCD also reviews all Certified Payrolls submitted into Elation Systems.

The following are all mandatory requirements:

Company On-Line Registration:

- i. All Primes must register their company and activate an account in Elation Systems; and
- ii. All Primes must also ensure that all Subconsultants and Subcontractors register their company and activate an account in Elation Systems.

Payment Verification:

- *i.* Prime Contractors must post all payments to their Subconsultants and/or Subcontractors in Elation Systems; *and*
- ii. Prime Contractors and their Subconsultants and/or Subcontractors must confirm all payments received in Elation Systems.

Certified Payroll Reporting:

- i. All Prime Contractors are responsible for assigning someone from their staff with the responsibility to review, approve, and upload their CPR(s) on a weekly basis into Elation Systems; and
- ii. All Prime Contractors must also ensure that their Subcontractors upload their CPR(s) on a weekly basis into Elation Systems.

Prime Consultants / Contractors IBE Target performance will be displayed / available on the Commission's public website.

Contract Compliance Department Compliance IBE Scores Overview

The Commission through its Contract Compliance Department has instituted a Compliance Score Ranking that will be included in the Monthly Contract Compliance Report for all Professional Services and Construction Projects.

The Compliance Score Ranking is an ongoing summary of data presented on Active and Completed contracts, which includes the tracking of payments from Prime Consultants and Contractors to IBE Subconsultants and Subcontractors, and the Prime Contractors Workforce Utilization. The Scores will illustrate the progress and participation to meet the Targets by Prime Consultants and Contractors as part of the IBE program.

The complete and timely reporting of payments and certified payrolls to the Elation Systems by the Prime Consultants and Prime Contractors, and their Subconsultants and Subcontractors, will assist the Prime Consultant and Prime Contractor in tracking the data to meet their targets.

Accordingly, each Prime will also be given a final grade at the completion of each project. Additionally, the data will be uploaded onto the Commission's public website on a monthly basis. *The Score(s) are factored using the following criteria:*

IBE PAYMENTS

The payments by the Prime Consultant / Contractor to each of their IBE Subconsultants / Subcontractors will be calculated based on the criteria set by the Commission's 25% IBE Target.

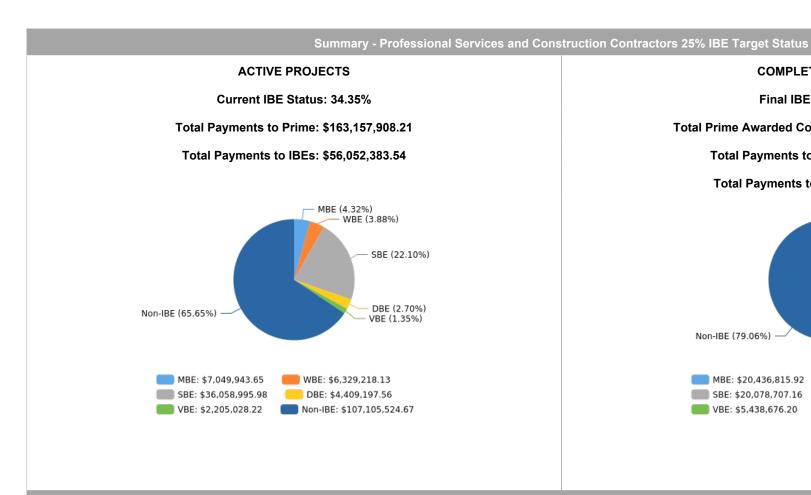

WORKFORCE TILIZATION

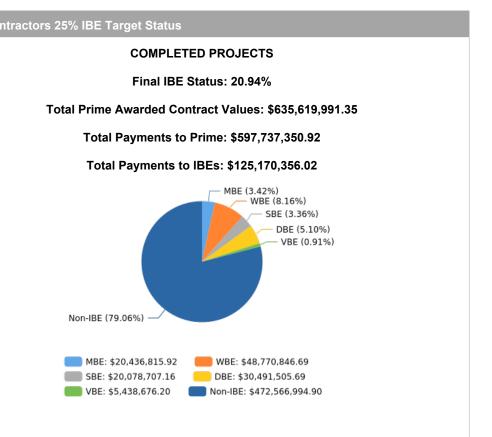

Workforce utilization contains 2 levels of scoring and documents the hourly employee utilization by workforce type, ethnicity and gender.

MINORITY, WOMEN AND SMALL BUSINESS ENTERPRISE PROGRAM

The Delaware River Joint Toll Bridge Commission implemented a one-year Minority Business Enterprise (MBE) pilot program, with a 7% participation goal, and the Women Business Enterprise (WBE) pilot program with a 3% goal. These goals applied to consultants and contractors' participating in the Commission's Capital Program and were effective on September 1, 2008.

At its December 2008 Commission Meeting, the Commission revised the pilot program to specify a 25% Small Business Enterprise (SBE) goal to New Jersey assigned consultant contracts in lieu of the previously specified 7% MBE and 3% WBE goals.

At its December 2010 Commission Meeting, due to the success of the Commission's MWSBE Pilot Program, the Delaware River Joint Toll Bridge Commission adopted a resolution for permanent status of the Minority Business Enterprise (MBE) program, with a 7% participation goal, and the Women Business Enterprise (WBE) program with a 3% goal, and the Small Business Enterprise (SBE) program with a 25% goal. These goals apply to consultants and contractors' participating in the Commission's Capital Program.

The Contract Compliance Department continues to monitor, update and analyze the payments for the MWSBE diversity program.

a)	PA Assigned Professional Services Contracts:	7% MBE and 3% WBE				
<i>b)</i>	No State Assigned Professional Services Contracts:	7% MBE and 3% WBE				
c)	Capital Plan Construction Contracts:	7% MBE and 3% WBE				
7\	NIA: 1DC: 1C:	250/ CDE				

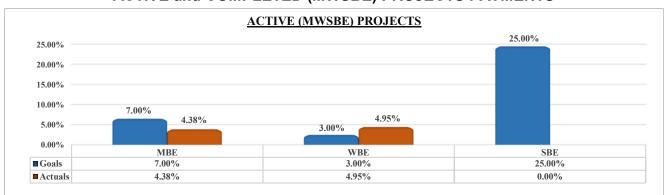

d) NJ Assigned Professional Services Contracts: 25% SBE

Numerous diversified businesses have benefited and continue to benefit from the Commission's previous M/W/SBE Program. The number of Contracts awarded during the MWSBE Program are as follows:

	Active Projects:	1
	Completed Projects:	76
>	Total Capital Program Projects:	77
	Total Number of Contractors:	180

As of July 1, 2014 projects fall into the status now commonly referred to as IBE (Identified Business Enterprise) with a projected target to be or to exceed 25% of the total project award amount.

TRAINING AND EMPLOYEE SAFETY DEPARTMENT MONTH OF October 2024

The activities delineated below represent meetings, communications, tasks, and accomplishments of the Training and Employee Safety Department for the Month of October 2024

- 10/01 Coordinated/facilitated Basic Custodial Training for (10) members of the custodial crew @ Scudder Falls (Day #1 of Session #1)
- 10/02 Coordinated/facilitated Basic Custodial Training for (10) members of the custodial crew @ NHL (Day #2 of Session #1/ISSA Certification Awarded)
- 10/03 Coordinated/facilitated Basic Custodial Training for (10) members of the custodial crew @ Scudder Falls (Day #1 of Session #2)
- 10/03 AED/First Aid supplies inventoried in the Southern Region
- 10/03 Workplace Safety Director provides safety/oversight to affected maintenance Personnel performing trimming/pruning of trees in MM jurisdiction
- 10/04 Coordinated/facilitated Basic Custodial training for (10) members of the custodial crew @ Scudder Falls (Day #2 of Session #2/ISSA Certification Awarded)
- 10/07 Attended/participated in the monthly departmental meeting via Microsoft TEAMS
- 10/07 Attended/participated in the ADP LMS Optimization Session #4 (Via Webex)
- 10/07 Instructed Annual Stormwater Management Refresher Training to affect Maintenance personnel @ NHL
- 10/07 Facilitated Flagger Training (Online) to (6) PSBS Employees @ NHL
- 10/08 Facilitated/assisted with Aspen Aerial A62T Under-Bridge Training @ NHL for (13) members of the Maintenance Dept. (Day #1)
- 10/09 Facilitated/assisted with Aspen Aerial A62T Under-Bridge Training @ NHL for (13) members of the Maintenance Dept. (Day #2)
- 10/09 Facilitated CPR/AED Training for (6) commission employees @ Scudder Falls
- 10/10 Facilitated/assisted with Aspen Aerial A62T Under-Bridge Training @ NHL for (13) members of the Maintenance Dept. (Day #3)
- 10/10 Attended/participated in the monthly Staff Mtg via Microsoft TEAMS
- 10/10 Facilitated a Training Needs Assessment Mtg with the Purchasing Dept. @ SF
- 10/15 Coordinated the scheduling/assisted Coleman Consulting Reps with Survey Review Sessions in the Southern Region

- 10/15 Assisted Coleman Consulting Reps with the Blue Roster Demonstration @ SF
- 10/16 Coordinated the scheduling/assisted Coleman Consulting Reps with Survey Review Sessions in the Central Region
- 10/17 Coordinated the scheduling/assisted Coleman Consulting reps with Survey Review Sessions in the Northern Region
- 10/17 Facilitated Flagger (Online) Training for (1) commission employee (R. Smith)
- 10/18 Facilitated CPR/AED Training for (8) commission employees @ I 78
- 10/18 Coordinated/assisted with Schedule Design Mtg facilitated by Coleman Consulting @ SF
- 10/21 Facilitated/instructed Onboarding Training for newly hired TSBM/TBM (Day 1/NHL)
- 10/22 Facilitated CPR/AED Training for (6) commission employees at I 78
- 10/22 Facilitated/instructed Day 2 of Onboarding Training for TSBM/TBM @ NHL
- 10/22 Facilitated Sweeper Training @ SRMC for affected Maintenance Personnel (Day 1)
- 10/23 Instructed the Annual Stormwater Management Annual Training for affected Maintenance Personnel @ DWG
- 10/23 Facilitated Sweeper Training for (8) members of the Maintenance Dept. @ I 78
- 10/23 Facilitated/instructed Day 3 of TSBM/TBM Onboarding Training @ NHL
- 10/24 Facilitated Sweeper Training for (7) members of the Maintenance Dept. @ DWG
- 10/24 Facilitated/instructed Day 4 of TSBM/TBM Onboarding @ NHL
- 10/24 Facilitated the monthly Workplace Safety Mtg @ EP
- 10/25 Facilitated online Traffic Control Coordinator and Flagger Refresher Training @ I 78
- 10/25 Facilitated/instructed Day 5 of TSBM/TBM Onboarding @ NHL
- 10/28 thru 10/31 -Facilitated/instructed Maintenance Onboarding Training for (4) employees @ I 78
- 10/29 Met with CAO, Directors from IT and Purchasing Depts. @ NHL to discuss proposed modifications to the boardroom for training purposes
- 10/30 Provided oversight to Maintenance Personnel conducting tree/limb pruning @ MM
- 10/31- Conducted inventory of AED's and First Aid supplies in the Central region

Note: The Commission has transitioned from the Litmos LMS to the ADP Learning Management System. Detailed training statistics are unavailable

Meeting of November 25, 2024

COMMUNICATIONS

The following Pages reflect the reports on those items assigned to the Communications Department. Each item is reported separately and page numbered accordingly.

OPERATIONS INDEX FOR COMMUNICATIONS

SUBJECT	DESCRIPTION	PAGE NUMBER
Communications	Status Report Month of	1-3
	October 2024	

COMMUNICATIONS REPORT October 2024

• COMMISSION AWARENESS EFFORTS:

Unforeseen Structural Issue at New Hope-Lambertville Toll-Supported Bridge – Revised the anticipated schedule on the project webpage to reflect the additional work of the NH-L bridge's unforeseen structural issue. The time frames for that additional work are noted as "tentative" at this time. Precise dates are anticipated to be announced upon receipt of the temporary friction collar stabilizing device and permanent replacement pin and steel supports in late November. A new chevron-style schedule reflecting these changes has been crafted by Community Affairs Director Jodee Inscho. This will be added to the webpage in November.

Uhlerstown-Frenchtown Bridge Rehabilitation Public Comment Responses – Reviewed draft comment responses with Executive Director and drafted revised responses. The changes were more direct and franker than the ones originally drafted. Also included subsequent corrections of fact and noted changes to planning process that arose due to submitted comments that were determined to have merit. There was a subsequent re-review and revisions after final read through with the executive director. Proofreading by Pete Peterson of Bellevue Communications and assistance from Jodee Inscho and Mike McCandless. This document addresses only the comments that were received from individuals. It was posted on the project's webpage in late October. Another response document is being drafted for communications received from governmental bodies. Drafted introductory post explaining that architectural lighting and the bridge's roadway width were the items most cited during the project's public comment process.

• MEDIA RELATIONS:

Hot Topics: Trenton-Morrisville Toll Bridge Ramp (NJ Route 29 SB) closing until Thanksgiving; lane closures scheduled for I-78 Toll Bridge and approaches in NJ and PA; overnight travel restrictions announced for I-78 at NJ-PA border; Snapshot: sunrise at Scudder Falls Bridge; Trenton car crash leaves man with a critical spinal cord injury (Commission assisting with surveillance video); daytime and overnight lane closures scheduled in vicinity of I-78 Toll Bridge; Calhoun Street Bridge between Trenton and Morrisville to get repairs; meet Michael Girman (AECOM); Calhoun Street Bridge repairs to last two months; overnight lane closures scheduled for I-78 westbound; NJ E-ZPass operator protests award to competitor it says will cost toll payers millions (Commission mentioned as a service center client); New Hope-Lambertville Bridge to remain partially closed through 2024; viral posts on X (formerly Twitter) misidentifying a woman poll attendant as Commission Vice Chair Pam Janvey (numerous shares/duplicate posts); 66th anniversary of rainy 1958 opening ceremony of Portland-Columbia footbridge (transportationhistory.org blog); Commission mentioned in Fitch Ratings post on a Puerto Rico toll road rating; new walkway being installed on New Hope-Lambertville Toll-Supported Bridge.

• WEBSITE:

Removed audit services RFP after Commission's contract award; posted RFQs for bond counsel, financial advisor, and underwriter services pools as per CFO Qiyan Zhao; posted various travel restriction alerts for Commission bridges and roadways; posted various homepage scroll messages for travel restrictions at Commission bridges and roadways; updated message and inserted new read-more link on homepage pop-up window as warranted; inserted meeting notice, Teams meeting link, teleconferencing info, and meeting agenda onto the Public Access-Commission Meetings webpage; updated the New Hope-Lambertville project webpage's two-week lookahead section on a weekly basis; .

• **COMMUNITY AFFAIRS** (Please refer to Community Affairs report): Edited revised New Hope-Lambertville Bridge Rehabilitation Project work schedule/travel impacts "chevron" document to reflect changes prompted by discovered unforeseen structural issue; designed by Jodee Inscho for placement on project webpage.

INTERNAL/EXTERNAL COMMUNICATIONS

- Recorded a total of 16,739 sessions (visits) on the Commission's website www.drjtbc.org during October 2024. That's a slight increase over the 16,228 recorded in September and the 12,781 experienced in October 2023.
- Drafted and issued two press releases in October: Calhoun Street Bridge Pier Repairs
 Expected to Begin Next Month (November) and weekday closures of NJ Route 29
 southbound exit ramp that carries traffic to the Trenton-Morrisville Toll Bridge and Route 1
 southbound.
- Discussed with engineer Michael McCandless possible solutions for the obstructive USGS equipment box on the Pennsylvania side of the Uhlerstown-Frenchtown Bridge.
- Handled inquiry from Melissa Z. Woodward, a Rhode Island University graduate student seeking to gather air and water samples for a study into PFAS (per- and polyfluoroalkyl substances, aka forever chemicals) along the Delaware River; she was instructed to have the Delaware River Basin Commission to write a letter to the Bridge Commission seeking to use any of our bridges in such a study.
- Corresponded with Rachel Holland regarding breast cancer awareness lighting scheme at the Lower Trenton Toll-Supported Bridge's Trenton Makes the World Takes sign.
- Discussed with Senior Director of Public Safety and Bridge Security Matt Hartigan the status of installing a headache bar and/or stop signals at the end of the Uhlerstown-Frenchtown Bridge at some future date.
- Forwarded to engineering department a photo of New Hope-Lambertville Bridge walkway's suicide hotline signs that were not removed prior to sandblasting and repainting.
- Requested and received refunds of misapplied tax charges on subscription renewals to the Genealogybank.com and Buckscountycouriertimes.com websites/news clipping services.
- Called Lambertville photographer Jay Garrison regarding potential future use of project work photos at the New Hope-Lambertville Bridge; emailed him annual reports link.
- Participated in conference call to discuss establishment of a specific webpage for the Washington Crossing Bridge's alternatives analysis NEPA process.
- Marked up draft response letter to a bureaucrat in Pennsylvania's Department of Conservation and Natural Resources.

- Facilitated Purchasing Department review of NH-L shuttle bus invoice submitted to the engineering department.
- Examined historic photograph of former covered wooden Yardleyville Bridge discovered by Yardley historian Susan Taylor; the picture shows a booth attached to the structure atop the second pier from the Pennsylvania side, an architectural feature never seen before on a covered bridge.
- Provided select Commission-archives bridge photographs to covered-bridge historian/writer Scott Bomboy for use in educational presentations.
- Contacted media consultant Alex Styer to seek correction of error in Bellevue Communications invoice.
- Attended Scott Bomboy covered bridges presentation mentioning many of the Commission's river crossings.
- Researched new Brownsburg Bridge citations and once again found no evidence that the bridge was ever fully financed or constructed; once old news clipping, however, indicates that crossings occurred when water levels were extremely low at the prospective location.
- Reviewed Washington Crossing NEPA materials at request of Mike Cane in engineering.
- Worked with Kim Shipp to distribute news clippings relative to Washington Crossing.
- Fielded phone inquiry from Dan Alexander of NJ-101.5 radio station's news department concerning Lower Trenton Bridge attempted suicide report; shared Morrisville PD and Peterson's Breaking News posts with Commission colleagues.
- Review October meeting notice.
- Instructed Community Affairs Director Jodee Inscho on updating NH-L two-week lookahead section on website.
- Participated in toll-conversion meeting.
- Attended Washington Crossing NEPA process progress meeting and NEPA process discussion meeting.
- Closed out annual report with processing and payment of Bellevue invoice.
- Responded to public inquiry (Price) on anticipated two-week shutdown for permanent repair of New Hope-Lambertville Bridge's unanticipated structural issue.
- Reviewed potential toll conversion billboard options with Alex Styer of Bellevue Communications.
- Requested correction of IBTTA brief suggesting a two-week shutdown of the Trenton-Morrisville Toll Bridge.
- Edited property access letter with Mike Cane of the engineering department.
- Attended online meeting reviewing prospective Washington Crossing Alternatives Analysis website design and content.
- Copied, pasted, distributed various erroneous social media posts misidentifying Commissioner Pam Janvey as some sort of poll monitor in Bucks County, PA.
- Worked with operations, toll, maintenance, and security personnel to schedule photo shoot at Trenton-Morrisville Toll Bridge's toll plaza; image will be used for in-lane handout cards in advance of that location's switch to all-electronic collections in January.

Meeting of November 25, 2024

OPERATIONS INDEX FOR COMMUNITY AFFAIRS

Affairs	October 2024	

Community Affairs Report October 2024

The following Community Affairs activities took place during October 2024:

New Hope-Lambertville Toll Supported Bridge Rehabilitation Project

Attended bi-weekly progress meetings. Assisted in coordination of Use of Facilities request from Lambertville Area Chamber of Commerce for "Turkey Trot." It was approved with conditions; information relayed to the Chamber.

Provided information to shuttle company regarding the schedule change and need for daily service during the January shutdown. (Shuttles are currently only operating on weekends.)

Continued review of architectural lighting color shows and schedule with Justin Bowers and lighting design architect.

Modified timeline graphic to reflect current schedule. Received and responded to variety of questions and comments from the public and local officials regarding the status of the project and completion, issue with temporary walkway (some people experiencing static shock,) etc.

Uhlerstown-Frenchtown Toll-Supported Bridge Rehabilitation

Accompanied Michael McCandless in meeting with neighboring property owners (Schneiderwind Farms and Frenchtown Borough officials) to discuss potential contractors contacting them to use property for staging.

Washington Crossing Toll-Supported Bridge Alternatives Analysis

Participated in both general project meetings and Public Involvement discussions; review of draft web site and notice of advance surveying activities to property owners. Project logo approved; received final logo images.

Bridge/Sign lighting

Coordinated requests for light shows for both "Trenton Makes" sign and Northampton Street Bridge with technical assistance from Justin Bowers. Shows in October included holidays, Thomas Edison State University graduation, German American Day, several disease and medical syndrome awareness campaigns, and Slow Down-Move Over awareness.

Shows scheduled for November include holidays, Pancreatic Cancer and several other disease awareness campaigns, Omega Psi Phi Founders' Day, Easton-Phillipsburg football game (colors of winning school will continue through the Thanksgiving weekend.)

Various Community Affairs activities

Handled a wide assortment of community affairs tasks during the month, including:

- Scheduled meeting with Executive Director at request of Morrisville Borough officials.
- o Designed sponsor ad for Eagle Awards ceremony and attended event
- Received and responded to concerns about timing of repaving work at Trenton-Morrisville/Route 1 Toll Bridge
- Attended AET conversion meeting
- o Attended Halloween parade at Northampton Street Bridge
- o Replied to communications from the public, including request for installation of water/air monitors, various community events and use of facilities requests
- Assisted the Communications Department by proofreading various news releases and communications, and editing various images

November 25, 2024 PROJECT STATUS REPORT

TRENTON- MORRISVILLE TOLL BRIDGE/LANGHORNE

SOUTHERN OPERATIONS & MAINTENANCE FACILITIES IMPROVEMENTS

Preliminary, Final & Post Design Services Contract No. C-519A (RJZ/KMS)

This contract is for Preliminary, Final and Post-Design Services for space utilization improvements at New Hope Lambertville Toll Bridge Executive Headquarters and the demolition and reconstruction of the Trenton Morrisville Toll Bridge Administration Building as identified under a Task Order Assignment for Space Utilization Program and Concept Study.

In accordance with the Commission's February 26, 2018, Regular Monthly Commission Meeting, this Contract was awarded to Gannett Fleming, Architects Inc. (GF). Accordingly, a Notice of Award and Limited Notice to Proceed was issued to GF effective February 27, 2018.

Currently GF is providing post-Design services for Contract T-519A by attending all project meetings, responding to requests for information, reviewing submittals, assisting in resolving conflicts in the field and clarifying the contract documents.

Construction Management/Construction Inspection Services
Contract No. CM-519A
(RJZ/KMS)

This contract is for Construction Management (CM) and Construction Inspection (CI) Services in connection with the demolition and new construction of the Southern Operations and Maintenance Facilities Improvements Project. Joseph Jingoli & Son, Inc. (JJS) was issued Notice of Award and Limited Notice to Proceed effective January 26, 2021.

JJS is currently conducting bi-weekly progress meetings along with processing Architectural Supplementary Instructions, Contractor's Submittals and Request for Information as part of providing construction management services.

Construction Contract No. T-519A (RJZ/KMS)

Contract T-519A is a multi-phase, 4-year primary construction contract for the demolition and new construction of the Southern Operations and Maintenance Facilities Improvements Project. It was awarded to Bracy Construction, Inc. at the Commission Regular Monthly Meeting of June 28, 2021. Notice of Award and Limited Notice to Proceed was issued to the Contractor on June 29, 2021; Notice to Proceed was made effective July 27, 2021 and a Pre-Construction Meeting was conducted on July 29, 2021.

November 25, 2024 PROJECT STATUS REPORT

At the **Trenton Morrisville** site, the Demarcation building construction is complete. Temporary electrical equipment has been sourced and installed as an attempt to overcome global supply chain delays associated with delivery of final electrical system components. The relocation of mission-critical infrastructure and utilities from the old Administration Building to the new Demarcation building is complete. New diverse telecommunication, electrical and gas services were completed and activated. Tolling system Bridge Host, Lanes Controllers and Daktronic Toll Plaza signs' cut overs were completed on April 21, 2023.

Temporary office trailers currently house our Toll Operations and are set-up with utilities, security devices and furniture for Commission use. Commission staff moved out of the old Administration Building on May 19, 2023, and its demolition was completed on October 27, 2023, exposing the toll plaza retaining wall. Demolition of the old generator and storage garage and removal of the temporary emergency power equipment activities are complete. In the new administration building the contractor completed exterior wall waterproofing and brick façade installation is in progress. Interior partition walls, rough-in for Mechanical, Electrical and Plumbing activities are also in progress throughout the building along with the installation of interior stair towers.

At the new maintenance garage location, the contractor completed footers, steel erection and metal roof deck, completed the under-slab utilities' rough-in and storm water installation. Bottom concrete slab on grade was poured and the contractor is currently working on the perimeter wall installation, radiant floor piping and rough-in Mechanical Electrical and Plumbing throughout the building.

At the **Langhorne site**, Final Inspection for the new maintenance building was made November 6, 2023, Punch List was issued November 15, Salt Operation and Building Occupancy commenced on November 20, 2023. Permanent emergency generator was received on April 18, 2023, contractor completed its installation on 8/14/24 and removed the temporary generators. Punch List work and commissioning efforts continued along with Close-Out of final construction details throughout the reporting period.

TRENTON MORRISVILLE TB ROADWAY PAVEMENT AND DECK SEALING IMPROVEMENTS

Design Task Order Assignment C-788A-1 (EVO/SJB)

This Task Order Assignment is for the design of the roadway pavement and bridge deck sealing improvements for the Trenton – Morrisville Toll Bridge facility. Notice to Proceed was issued to Traffic Planning and Design, Inc. (TPD) on January 8, 2024 and a Kick-Off Meeting was held with TPD on January 16, 2024. Final plans and specifications were submitted for bidding on May 3, 2024. The Construction Contract No. T-746A bids were received on June 6, 2024. TPD reviewed the bids for completeness.

November 25, 2024 PROJECT STATUS REPORT

The Construction Contractor was issued Notice to Proceed effective July 11, 2024. TPD is providing post-design phase services including Submittals and Request for Information (RFI) reviews and participating in various construction related meetings throughout the reporting period.

Construction Management/Construction Inspection Task Order Assignment C-772A-2 (EVO/SJB)

Notice to Proceed was issued to KS Engineers, P.C. (KSE) for this Task Order Assignment effective June 4, 2024. KSE is providing CM/CI services for the Trenton – Morrisville Toll Bridge Roadway Paving and Deck Sealing Improvements project. KSE staff includes a full-time Resident Engineer, a full-time Construction Inspector, a part-time Scheduler, and a part-time Safety Inspector for the duration of the construction. Notice-to-Proceed for construction was issued on July 11, 2024, with substantial completion scheduled for October 31, 2024.

During this reporting period KSE conducted a Progress Meeting on October 10, 2024 and Progress Meetings No. 7 on October 24, 2024. The contractor's second pay estimate was processed.

KSE continued tracking RFIs, submittals, shop drawings, project correspondence along with on-site inspection of the contractor's ongoing construction activities. KSE's subconsultant RK&K reviewed the contractor's Composite CPM Schedule submission.

Construction Contract No. T-746A (EVO/SJB)

At the June 24, 2024 Commission Meeting the Commissioners awarded construction Contract No. T-746A, Trenton – Morrisville Toll Bridge Roadway Paving and Deck Sealing Improvements, to Road-Con, Incorporated of West Chester, Pennsylvania for an amount not to exceed \$5,980,564.55. Road-Con was provided with Notice of Award and Limited Notice to Proceed effective June 25, 2024. Road-Con's full Notice to Proceed was issued effective July 11, 2024.

During this reporting period, Road-Con participated in progress meetings. Road-Con continued submitting in RFIs, correspondence, submittals, and shop drawings. Road-Con continued construction activities including milling and paving of asphalt along the mainline on Route 1, Ramps A, E, H & J in PA, Ramps C, N, S, B, Y & I in NJ, clearing and grubbing to clear vegetation on the embankments along Route 1 northbound and southbound, performed joint cleaning and sealing, deck sealing, junction box replacement, drainage structure modifications, repaired concrete median barrier, deck, pavement spalls, grade adjustments to existing inlet structures, curb and sidewalk repairs. Topsoil, seed and straw was placed at the disturbed grass areas adjacent to the repaired concrete curbs and inlets. Road-Con installed the proposed concrete curb barrier along the sides of Ramp C in NJ. Road-Con placed the pole foundation and pole for the dynamic curve warning device on the south side of Ramp C in NJ. The longitudinal pavement joint sealing, line striping and pavement markings were also completed. Road-Con has requested

November 25, 2024 PROJECT STATUS REPORT

a time extension to complete the additional deck repair work on Ramp Y. The additional concrete deck repair work on Ramp Y is currently under way with an anticipated duration of 25 working days from Tuesday, October 29, 2024. Road-Con is scheduled to address the items generated on a punch list by the end of November 2024.

LOWER TRENTON TOLL – SUPPORTED BRIDGE

LOWER TRENTON TSB TRUCK WARNING SYSTEM (PILOT) and NJ Bridge Monitor Shelter

Final Design
Task Order Assignment No. C-771A-7
(SJB/KMS)

Under Task Order Assignment No. C-771A-2 French & Parrello Associates provided conceptual design services for the development of a new over height vehicle detection system for the New Jersey approach to the Lower Trenton TSB. The work of that assignment was completed with acceptance of the final Concept Report dated March 6, 2024.

This project includes the design and eventual construction of a Bridge Monitor Shelter on the New Jersey approach to the Lower Trenton Toll-Supported Bridge. Conceptual layouts of the proposed Shelter have been created in conjunction with the over height detection system layout. The concepts include the need to establish construction and property easements with the City of Trenton. The Commission is reaching out to set up a meeting with the city.

On May 14, 2024, the Commission provided French & Parrello Associated with Notice-to-Proceed for final design services for the development of a new over height vehicle detection system for the New Jersey approach to the Lower Trenton TSB. A project kickoff meeting was held on May 21, 2024. In June, FPA performed field inspections, utility verifications and submitted a Traffic Signal Removal Study Report. On August 9, 2024, FPA submitted their prefinal design submission. Comments were provided by DRJTBC on August 26, 2024. On September 4, 2024, Commission personnel met with City of Trenton personnel to discuss temporary construction and permanent property easements needed for this project. On September 20, 2024, FPA submitted their final design submission. On October 18, 2024, Commission Engineering and PSBS staff met with FPA to discuss the need to assure the specified LiDAR system can be directly integrated into our Genetec video management server. FPA is now having direct discussions with Genetec and the specified LiDAR vendor to confirm or modify the final design.

November 25, 2024 PROJECT STATUS REPORT

CALHOUN STREET TOLL – SUPPORTED BRIDGE

DECORATIVE KNEE BRACE REPLACEMENT

Design
Task Order Assignment Contract No.C-788A-2
(HDH/MEM)

On December 14, 2023, a Tractor Trailer crossed the CSTSB from Pennsylvania to New Jersey, and damaged five (5) end portal decorative brackets along the downstream truss.

Traffic Planning and Design, Inc (TPD) was provided with Notice to Proceed on February 27th, 2024, to design the removal and replacement of five (5) damaged ornamental cast iron portal frame brackets over the eastbound travel lane. These brackets are non-structural in nature, and the new portal frames will be replicas of the original ornamental cast iron brackets. It is anticipated that the new brackets will be cast from a mold made from an existing bracket, and part of TPD's task is finding foundries that can mold and produce the castings required. TPD submitted the final design and responded to interim submission comments from the Commission during the reporting period.

SCUDDER FALLS TOLL BRIDGE

SCUDDER FALLS BRIDGE REPLACEMENT PROJECT

Final Design Contract No. C-660A (SJB/KMS)

During the reporting period Michael Baker Jr., Incorporated (Baker) of Hamilton New Jersey continued to provide design input on the under-bridge inspection rail issue.

Construction Contract No. T-668A (SJB/KMS)

Trumbull Corporation of Pittsburgh, PA (Trumbull) was awarded the Scudder Falls Bridge Replacement Construction Contract T-668A in the amount of \$396,000,000.00 at the Commission's January 30, 2017 Meeting. The Commission issued a full Notice to Proceed on March 3, 2017. Substantial Completion was achieved December 15, 2021. The Commission issued Final Acceptance for the project on October 16, 2023 and final payment/contract closeout in December 2023.

The remaining open permit-related issue is that the Bucks County Soil Conservation District Office has not yet signed-off on closeout of the National Pollutant Discharge Elimination System (NPDES) and Erosion and Sediment Control (E&S) permits. Sufficient grass growth within the project corridor has yet to be established, and minor areas of re-seeding took place

November 25, 2024 PROJECT STATUS REPORT

during the reporting period. Since sufficient grass establishment has not yet been achieved in all areas of the project, a final inspection with the BCCD will be scheduled after the next grass-growing period in the Spring of 2025.

DESIGN MANAGEMENT CONSULTANT SERVICES T-668A CONSTRUCTION

Oversight of Final Design
Task Order Assignment No. C-502A-1N
(SJB/KMS)

AECOM has provided DMC services throughout the construction of the Scudder Falls Bridge Replacement Project, Contract T-668A under Task Order Assignment C-502A-2I. The remaining unexpended funds in Task Order Assignment C-502A-2I have been transferred over to Task Order Assignment C-502A-1M and Task Order Assignment C-502A-2I has been closed out. Remaining DMC services on the Scudder Falls Project will be completed under the C-502A-1M Task order Assignment.

The remaining DMC Services include support to the Commission in the following and assistance with various project close-out activities:

Environmental Permitting – A final inspection will be performed by the Bucks County Soil Conservation District (BCSCD) in the Spring of 2025 in order to obtain final acceptance of all BCSCD Permitting work. Once BCSCD final acceptance is received, Permit Completion Forms will then be sent to the BCSCD, PADEP and the USACE. This will close-out all outstanding permitting work associated with the project other than the continued five-year monitoring period for the PA Wetlands Mitigation Site.

Environmental Monitoring Services — Continuous services were provided throughout construction to meet project permit requirements. Year 2 monitoring activities for the PA Wetlands Mitigation Site, by ACT Engineers will continue through 2028. This includes monthly monitoring well readings of the groundwater levels within the wetlands site.

Contracts C-660A and T-668A Progress Support - Support of open issues resolution to achieve project acceptance by the Bucks County Soil Conservation District in Pennsylvania.

DMC Services for these remaining efforts occur on a sporadic as-needed basis

SCUDDER FALLS BRIDGE REPLACEMENT PROJECT ANCILLARY IMPROVEMENTS

Design
Task Order Assignment No. C-760A-4
(CLR/SJB)

This Task Order Assignment is for the demolition of the 185 River Road Commission house along with additional site improvements in the area consisting of, but not limited to, tree removals,

November 25, 2024 PROJECT STATUS REPORT

landscaping, fencing, guiderail installation and security measures under the Scudder Falls Bridge and in the area of the River Road/Woodside Road Intersection. Remington & Vernick Engineers (RVE) prepared the plans, specifications, and cost estimate (PS&E) as well as a schedule for the Commission's use in issuing Job Order Contract T/TS-787A-02 and is currently providing design support services during construction.

Notice to Proceed for this Task Order Assignment was issued on March 29, 2023. Final Design plans and documents were submitted by RVE in August 2023. No work was performed by RVE during this reporting period.

Construction
Job Order Contract No. T/TS-787A-002
(CLR/SJB)

This Contract is for the demolition of the 185 River Road Commission house, tree removals, landscaping, fencing, guide rail installation, and miscellaneous roadside improvements along Woodside Road and at the Woodside Road/River Road Intersection. Notice to Proceed was issued to A.P. Construction, Inc. effective October 31, 2023.

During this reporting period A.P. Construction had their landscaping sub-contractor reseed all of the disturbed areas.

WASHINGTON CROSSING TOLL- SUPPORTED BRIDGE

WASHINGTON CROSSING BRIDGE REPLACEMENT

PRELIMINARY ENGINEERING AND ENVIRONMENTAL DOCUMENTATION FOR THE WASHINGTON CROSSING BRIDGE REPLACEMENT

Contract No. C-697A (WMC/KMS)

HDR Engineering and their team of sub-consultants are providing preliminary engineering and environmental documentation type services in support of the analysis of improvement alternatives for the Delaware River crossing between Upper Makefield Township, PA and Hopewell Township, NJ.

Throughout the reporting period, work involved numerous meetings in support of establishing project regulatory obligations, traffic data collection and developing the project specific website. The project logo has been finalized and is being incorporated into various project materials. The consultant met with representatives from the Delaware Valley Regional Planning Commission to discuss the project and travel demand modeling in support of the same. Other activities included advancing the project purpose and need statement as well as desktop research in support of the site survey, traffic data collection and wetland delineation.

November 25, 2024 PROJECT STATUS REPORT

WASHINGTON CROSSING TOLL-SUPPORTED BRIDGE PENNSYLVANIA OVERSIZE VEHICLE PROTECTION STRUCTURE EVALUATION & DESIGN

Design
Task Order Assignment No. C-769A-5
(VMF/SJB)

Traffic Planning and Design, Inc. (TPD) is providing Professional Engineering Services for the evaluation and design of the recently damaged Oversize Vehicle Protection Structure (Structure) on the Pennsylvania approach to the Washington Crossing Toll-Supported Bridge.

TPD has performed field views with Engineering staff to assess the situation and has prepared construction documents for the complete replacement of the structure. These construction documents were issued to the Commission's Job Order Contractor, Mount Construction through the Gordian System, on October 21, 2024, to provide a price proposal.

NEW HOPE-LAMBERTVILLE TOLL-SUPPORTED BRIDGE

NH-L TSB REHABILITATION

Design Contract No. C-694A (MEM/SJB)

At the February 27, 2023 Commissioners Meeting, the Commission awarded Contract No. C-694A, New Hope - Lambertville Toll-Supported Bridge Rehabilitation Design to Greenman-Pedersen, Inc. (GPI) of Lebanon, NJ for an amount not-to-exceed \$1,895,132.27. GPI was provided with Notice of Award and Limited Notice to Proceed on February 28, 2023. GPI was then issued a Full Notice to Proceed on March 22, 2023 with the execution of the Agreement with the Commission.

The construction Contract was awarded at the Commission's November 2023 meeting. GPI continued to provide post-Award services including submittal and request-for-information reviews and responses during the reporting period. GPI is also providing design services and support of the span 2 pin replacement work.

Construction Management/Inspection Services Contract No. CM-694A (MEM/SJB)

At the November 20, 2023 Commission Meeting, authorization was granted to award the Construction Management/Construction Inspection Services contract (CM-694A) to Urban Engineers, Inc. (Urban) of Philadelphia for the not-to-exceed amount of \$1,209,96.08. Urban Engineers, Inc. of Philadelphia was issued Notice of Award and a Limited Notice to proceed

November 25, 2024 PROJECT STATUS REPORT

effective November 21, 2023. A project kick-off meeting has held on November 30, 2023. The full Notice to Proceed was issued December 21, 2023, with the execution of the Agreement with the Commission.

The Contractor's on-site mobilization activities commenced on Tuesday January 23, 2024. The Contractor has completed the Stage 1 & 2 work. The stage 3 work is nearly complete; however, the repair and replacement of a deteriorated truss connection pin has delayed the completion of stage 3. Urban continues to provide CM/CI services for the project, including CM/CI services for the emergent pin replacement work.

Construction Contract No. TS-694A (MEM/SJB)

The Construction Contract was Awarded to Anselmi & DeCicco, Inc. (A&D) of Maplewood, NJ for a not-to-exceed amount of \$25,072,471.06 at the Commission's November 2023 Meeting. LNTP provided November 20,2023 and Full Notice to Proceed on December 20, 2023.

The Phase 1 construction, including the painting of the upstream truss, was completed in June 2024. The Phase 2 Construction for the installation of the temporary pedestrian walkway placed on the bridge deck was completed in July 2024. The Contractor is currently completing the Phase 3 work; however, the repair and replacement of a deteriorated truss connection pin has delayed the completion of stage 3. Painting operations have been completed with the exception of final touch-up work. The walkway panels have been installed and all the pedestrian handrail has been installed. Vehicular traffic on the bridge is still in the Pennsylvania-bound direction only with pedestrian access supported on a temporary walking surface placed on the eastbound lane of the bridge deck. Eastbound traffic is detoured across the New Hope – Lambertville Toll Bridge in the free direction.

As presented at the September Commissioners Meeting, significant deterioration to a pin connection in span 2, panel point 4, was discovered after the blast cleaning operations. The Contractor's temporary support designer, EIC, has designed and detailed a friction collar support. The Contractor's fabricator, Pellet Welding, has made significant advancements in the fabrication of the collar and clamping elements. It is anticipated that the collar will be delivered to the site during the Thanksgiving week, and fully engaged after the first week of December, at which time pedestrian traffic will be moved to the new walkway and traffic will remain in one (1) lane into Pennsylvania. In early January, after the holiday season, the bridge will be required to be closed for the pin replacement activities. The bridge closure is anticipated to last as long as two weeks. Community coordination from initial notification of the issue to date has taken place with the town of New Hope and the city of Lambertville officials and business community representatives.

November 25, 2024 PROJECT STATUS REPORT

NEW HOPE-LAMBERTVILLE TOLL BRIDGE

NEW HOPE-LAMBERTVILLE TOLL BRIDGE STONE VENEER REPLACEMENT
Design
Task Order Assignment No. C-704A-2
(MEM/KMS)

At the end of March 2019, a section of the stone veneer façade at the east abutment of the New Hope – Lambertville Toll Bridge (Route 202) came loose and separated from the structural abutment. Greenman-Pederson, Inc. (GPI) was given the task to investigate the cause and determine a solution for the issue. The consultant was given Notice to Proceed on 4/29/2019. The consultant went out in the field on 5/15 and 5/16/19 to access the condition of the stone veneer at both abutments of the NH-L Toll Bridge. A preliminary report was received June 7th, 2019. The report was finalized 7/15/2019. Preliminary design/repair documents were received 8/9/2019 and reviewed by 8/23/19. Final design documents were received electronically on 9/13/2019. Maintenance forces have improved the fencing around the deteriorated section at the NJ abutment facade.

The initial and revised construction costs prepared by one of the Commission's Job Order Contractors, RCC Builders & Developers (RCC) were both excessive. Therefore, the design documents have been provided to our Job Order Contractor, Mount Construction, to provide a construction cost for this work.

The project was repackaged and issued to our other Job Order Contractor, Mount Construction. After performing a field view with Commission staff, Mount Construction developed a cost estimate for review. The Job Order Contract with Mount Construction was executed on 07/25/2024. GPI continues to provide construction support services for this work.

Construction Inspection Services
Task Order Agreement No. C-772A-3
(VMF/MEM)

This Task Order Assignment is for providing Construction Inspection services for the New Hope-Lambertville Toll Bridge Stone Veneer Replacement. KS Engineers, P.C. (KSE) was provided with their Notice to Proceed effective June 4, 2024. KSE has provided a full-time Construction Inspector for the duration of the construction.

November 25, 2024 PROJECT STATUS REPORT

Construction
Job Order Contract No. TTS-735A-013
(VMF/MEM)

This Job Order Contract for an amount not-to-exceed \$347,793.77 is to reinstall the missing stone veneer at the north end of the east (NJ) abutment, to install anchors in areas identified as potentially unstable, and perform various other maintenance repairs to prevent future deterioration of the stone veneer at both east (NJ) and west (PA) abutments. This contract also includes the removal and storage of the stone veneer from a portion of the north and south abutment walls adjacent to the Pennsylvania abutment backwall to investigate the cause of this backwall rotation toward the bridge.

The project was issued to Job Order Contractor, Mount Construction with Notice to Proceed issued August 7th, 2024. A preconstruction meeting was held on August 14, 2024, and work began on the Pennsylvania abutment walls on August 26, 2024. The Commission's ESS group removed one camera from the PA abutment north wall and removed the wire feed to this camera and two (2) additional cameras near the westbound approach to the toll plaza. The ESS group also removed the wire feed and conduit on the PA abutment back to the Tee junction box attached to the south parapet wall. These cameras will be rewired, and the removed camera temporarily reinstalled at a later date by the ESS group. The stone veneer was removed from the north and south abutment walls exposing a diagonal crack in the abutment backwall, revealing the cause of the backwall rotation. The stone veneer removed from the abutment walls were stored on the near the PA abutment on Commission property to be reused on this abutment walls after the abutment backwall issue is corrected. Mount Construction drilled holes and installed anchor bolts in designated stone veneer block at both the Pennsylvania and New Jersey abutments. The granite stone that will replace the missing stone on the NJ abutment has been ordered.

NH-L TB ALL ELECTRONIC TOLLING (AET) CONVERSION DESIGN

Contract No. C-754A (CAS/ KMS)

RK&K prepared and submitted the preliminary design plans, specifications and estimate. Commission Staff completed the review of the preliminary design submission and comments were provided to and reviewed with RK&K. RK&K completed an inspection of the existing storm water sewer system with help from the Commission's Maintenance Department. RK&K also reviewed on-site the highway lighting wiring and building access control system.

November 25, 2024 PROJECT STATUS REPORT

CENTRE BRIDGE- STOCKTON TOLL-SUPPORTED BRIDGE

CB-S TSB BEARING & BRIDGE SEAT REHABILITATION

Design
Task Order Assignment No. C-769A-2
(HDH/MEM)

During the biannual inspection of the toll supported bridges, the Commission's General Engineering Consultant (GEC) identified several areas that require repair at the Centre Bridge-Stockton Toll- Supported Bridge (CBSTSB). The areas of concern are identified as loose, missing and/or bent anchor bolts at the truss and sidewalk bearings with associated spalls in the bridge seats resulting in loss of bearing area. Additional areas of repair are identified at the deck joints and bridge seats of the single span bridge over the Canal at the west approach of CBSTSB.

Traffic Planning and Design, Inc (TPD) was provided with Notice to Proceed on December 13, 2022, for the design of the repairs. An inspection crew from TPD started an in-depth field inspection the week of January 9, 2023, for the purposes of determining the approach to the design and construction of the repairs. A Preliminary Condition Assessment Report (CAR) on the CBSTB conditions was submitted the end of January 2023.

A Draft CAR for the approach structure to the CBS-TSB bridge (York Road over the PA Canal) was submitted February 14th, 2023 and was reviewed by Engineering. In addition to the CAR, TPD has provided a Load Rating Analysis for this structure. The Preliminary Load Rating was received by the Commission on March 30th, 2023 and has been reviewed. The final Load Rating Report was accepted the end of May 2023.

Preliminary assessment reports for the structure over the canal, and for the main river bridge have been received, reviewed, and accepted. Recommendations from this report will be incorporated into a future project for rehabilitation of the bridge.

TPD continue to develop final design documents for the stringer bearing repairs on the main river bridge as well as miscellaneous pier bearing repairs. Preliminary draft plans were received from TPD's sub consultant, Stantec, which were reviewed with comments returned. TPD has finalized the plans and specifications.

The final design has been assigned to a JOC Contractor for construction in 2024 under Job Order Contract No. T/TS-787A-3. TPD attended an on-site Joint Scope of Work Meeting was held on June 5, 2024 with the anticipated JOC Contractor to begin the scoping and pricing efforts. Personnel from AP Construction, Gordian and the Engineering Department met on-site at the CBS TSB. AP Construction provided the Commission with a cost proposal, which is under review.

November 25, 2024 PROJECT STATUS REPORT

LUMBERVILLE-RAVEN ROCK TOLL-SUPPORTED BRIDGE

L-RR TOLL-SUPPORTED PEDESTRIAN BRIDGE CONCEPT DESIGN FOR ARCHITECTURAL LIGHTING & ELECTRONIC SURVEILLANCE/DETECTION SYSTEM INSTALLATION

Concept Design
Task Order Assignment No. C-771A-4
(JRB/SJB)

Under this Task Order Assignment (TOA) the Consultant, French & Parrello Associates (FPA) with lighting design subconsultant Domingo Gonzales Associates (DGA), is providing professional consulting services to develop concept designs for both an Architectural Lighting System (ALS) and an Electronic Surveillance/Detection System (ESS) on the bridge. These concept designs include investigating the feasibility and practicality of an ALS and an ESS that require minimal equipment located on-site and connect via the Commission's WAN to another facility that would contain any necessary servers or equipment. Due to the lack of both property and buildings, and the picturesque landscape, the Commission would like the systems to be designed to utilize the smallest amount of space possible for back-end equipment located on-site, and any equipment cabinets or other necessary equipment on site should be in a context sensitive containment unit.

A kickoff meeting was held with Commission Staff, representatives of FPA & DGA, via MS Teams on September 27, 2023. A site visit was held on October 5, 2023. Draft concept reports for the ALS and ESS systems were submitted on November 19th. A progress meeting was held on November 22, 2023.

A revised draft concept report was submitted in mid-January and review comments were provided back to FPA/DGA. A progress meeting was held on February 15, 2024. A revised concept report was submitted on February 29, 2024. A meeting was held on March 20 with the Executive Director and several DEDs as well as Public Safety & Bridge Security (PSBS). FPA working with DGA, submitted a revised Draft Concept Report to incorporate feedback from the ED, PSBS, and Engineering staff, which is currently under review.

UHLERSTOWN-FRENCHTOWN TOLL-SUPPORTED BRIDGE

UHLERSTOWN-FRENCHTOWN TSB REHABILITATION

Design Contract No. C-642A (MEM/KMS)

At the January 29, 2024 Commissioners Meeting, the Commission awarded Contract No. C-642A, Uhlerstown - Frenchtown Toll-Supported Bridge Rehabilitation Design to WSP USA, Inc. (WSP) of Exton, PA for an amount not-to-exceed \$1,771,189.56. WSP was provided with

November 25, 2024 PROJECT STATUS REPORT

Notice of Award and Limited Notice to Proceed on January 29, 2024. A project Kick-Off meeting was held on February 6, 2024.

On August 6, 2024, WSP submitted Preliminary Design documents (60% complete), including plans and estimates. Comments were returned to WSP, after which WSP submitted Pre-Final Plans, Specifications and Estimates on September 23, 2024. Documents were reviewed and comments have been returned. Final Design Bid Documents have been submitted and the project was advertised for bid on 10/22/2024. Bids are due to the Commission on 11/26/2024.

I-78 TOLL BRIDGE

1-78 TB JOINT REHABILITATION & MISCELLANEOUS WORK

Design and Construction Inspection Task Order Assignment No. C-769A-4 (WMC/SJB)

Traffic Planning & Design, Inc. (TPD) submitted a draft needs assessment report including rehabilitation alternatives for I-78 approach pavement deterioration, I-78 bridge over County Route 519 deck deterioration, and the pavement within the open road tolling (ORT) lanes at the I-78 Toll Bridge. The first two (2) of these items have been completed. TPD provided counsel to GPI in support of the plans and specifications for implementation of pavement repairs within the ORT lanes and anticipated to be performed by Crisdel Group as part of Contract T-766A.

I-78 TB NEW JERSEY ROADWAY REHABILATION AND POWER & COMMUNICATION INFRASTRUCTURE UPGRADES

Design Contract No. C-766A (CLR/SJB)

This Contract is for professional consultant design services to include verification of condition assessment, preliminary and final design, and post-design services for the rehabilitation of the I-78 New Jersey Approach Roadway and reassessment of the preliminary design documents associated with the I-78 Power and Communication Infrastructure Design Services as developed by Arora and Associates, P.C. in October 2022 along with the preliminary and final design and post design services for the I-78 Power and Communication Infrastructure Design.

Arora and Associates, P.C was issued a Notice of Award and Limited Notice to Proceed effective May 23, 2023. A project kick-off meeting was held with Arora on May 31, 2023. The Contract was fully executed on June 20, 2023, with full Notice to Proceed effective June 22, 2023.

The Construction Contractor was issued Notice to Proceed effective March 22, 2024. Arora continues providing post-design phase services including Submittals and Request for Information (RFIs) reviews and participating in various construction related meetings throughout the reporting period.

November 25, 2024 PROJECT STATUS REPORT

Construction Management/Construction Inspection Contract No. CM-766A (CLR/SJB)

At the February 26, 2024 Commissioners' Meeting, the Commission awarded Contract No. CM-766A, Construction Management/Construction Inspection Services for the I-78 New Jersey Roadway Rehabilitation and Power & Communication Infrastructure Improvements Project to Greenman-Pedersen, Incorporated (GPI) of Bridgewater, New Jersey for an amount not-to-exceed of \$2,405,208.16. GPI was provided with the Contract Notice of Award and Limited Notice to Proceed effective February 27, 2024. GPI's full Notice to Proceed was issued effective March 22, 2024.

GPI's current staff includes a full time Resident Engineer, two (2) full time Assistant Resident Engineers, one (1) full time Inspector/Office Engineer, one (1) full time Inspector and one (1) part time Project Manager. A part time scheduler and part time safety consultant, both from Envision, Inc. are providing schedule update reviews and independent on-site safety inspections respectively as needed. One (1) full time Inspector from Atane is also providing daily onsite inspection of the ongoing ITS/ESS work.

During this reporting period, GPI conducted the Contract No. T-766A Progress Meetings No.13 and No.14; a Pre-Activity Meeting for the Asphalt Pavement Ride Quality Testing; processed the contractor's seventh pay estimate and continued tracking RFIs, correspondence, submittals, and shop drawings, along with on-site inspection of the contractor's ongoing work. GPI's subconsultant Envision reviewed and commented on the contractor's bi-weekly CPM schedule updates and performed bi-weekly on-site independent safety inspections of the contractor's work.

Construction
Contract No. T-766A
(CLR/SJB)

At the February 26, 2024 Commissioners' Meeting, the Commission awarded Contract No. T-766A, I-78 New Jersey Roadway Rehabilitation and Power & Communication Infrastructure Improvements to Crisdel Group, Incorporated (Crisdel) of South Plainfield, New Jersey for an amount not-to-exceed \$23,530,677.00. Crisdel was provided with Notice of Award and Limited Notice to proceed effective February 27, 2024. Crisdel's full Notice to Proceed was issued effective March 22, 2024.

During this reporting period, Crisdel participated in the Contract No. T-766A Progress Meetings and Pre-Activity Meeting and continued submitting in RFIs, correspondence, submittals, and shop drawings. Crisdel and their sub-contractor Tiffany Electric continued field work consisting of completing the pulling in of new electric and fiber cables into the completed conduits and began splicing these cables into the new equipment, completing the installation of the power

November 25, 2024 PROJECT STATUS REPORT

systems at Springtown Road, Carpentersville Road and Edge Road locations, completing the permanent line striping along with the installation of the raised pavement markers and shoulder rumble strips which included all of the eastbound and westbound New Jersey right, center and left lanes and right and left shoulders, and the Commission's owned ramps (three) at the Still Valley Interchange (NJ Exit 3) along with the New Jersey median turnarounds. Crisdel also completed restriping the entire PA roadway including thru the toll plaza area. Crisdel's subcontractor, Venture completed all of the bridge deck cleaning and sealing and their landscaping subcontractor, Eastern Landscaping, completed grading, topsoiling, seeding and matting all of the disturbed grass areas, areas disturbed as a result of the power and communication conduit and equipment installations.

NORTHAMPTON STREET TOLL-SUPPORTED BRIDGE

NORTHAMPTON STREET TSB REHABILITATION

Design Contract No. C-590A (MEM/KMS)

At the April 27, 2020 Commissioners Meeting, the Commission awarded Contract No. C-590A, Northampton Street Toll-Supported Bridge Rehabilitation Design to Greenman-Pedersen, Inc. (GPI) of Lebanon, NJ for the not-to-exceed amount of \$15,487,427.50. GPI was provided with Notice of Award and Limited Notice to Proceed the same date. GPI was then issued a Full Notice to Proceed on May 15, 2020.

The construction of this project is complete.

Construction Management/Construction Inspection Contract No. CM-590A (MEM/KMS)

At the September 27, 2021 Commission Meeting authorization was granted to award the Construction Management/Construction Inspection Services contract (CM-590A) to Johnson, Mirmiran and Thompson, Inc. (JMT) of Philadelphia for the not-to-exceed amount of \$1,554,968.16. Johnson, Mirmiran and Thompson, Inc. of Philadelphia was issued Notice of Award and also Limited Notice to proceed effective September 28, 2021. The full Notice to Proceed was issued November 5, 2021.

The construction of this project is complete. JMT continues to perform project close out activities for this project, including final invoicing.

Construction
Contract No. TS-590A
(MEM/KMS)

At the September 27, 2021 Commissioners Meeting, the Commission awarded Contract No. TS-590A, Northampton Street Toll-Supported Bridge Rehabilitation to J.D. Eckman Inc. of

November 25, 2024 PROJECT STATUS REPORT

Atglen, PA for an amount not-to-exceed \$15,487,427.50. J.D. Eckman was provided with Notice of Award/Limited Notice to proceed on September 28, 2021. The full Notice to Proceed was issued on November 15, 2021.

The Contractor is engaged with the Construction Management team to close out this project, including final invoicing.

RIVERTON-BELVIDERE TOLL-SUPPORTED BRIDGE

NORTHWEST & SOUTHWEST WINGWALLS REHABILITATION

Design
Task Order Assignment No. C-751A-1
(HDH/MEM)

The masonry wingwalls at the northwest and southwest corners of the Riverton – Belvidere Toll Supported Bridge need repair, rehabilitation, or replacement. The walls exhibit vertical misalignment, areas of bulging stones, missing mortar and water staining because of water seeping through the wall. The sidewalk along the high side of the northwest wall exhibits signs of settlement and the concrete monument on the high side of the wall has settled and rotated.

Traffic Planning and Design, Inc (TPD) was provided with Notice to Proceed on June 16, 2021 for design services to address the wall conditions. On Wednesday, June 23, 2021, a Kick-Off meeting was held. TPD submitted an initial draft Alternatives Analysis Submission report the beginning of September. A meeting was held on October 14, 2021, to review the proposed solutions in the report and discuss any other future alternatives.

A revised analysis report was submitted on November 5, 2021. This report included an interim recommendation to monitor the northwest wingwall for further movement at three-month intervals for a year. A meeting was held with TPD on November 17, 2021 to discuss this recommendation, and TPD was given the go-ahead to start the survey-based monitoring work on November 18, 2021.

An initial Survey of the Northwest wingwall was performed by Navarro & Wright, subconsultant to TPD, on December 1, 2021. Reflective targets and plates were attached to the wall. The next monitoring was performed early February, with negligible changes noted. The monitoring in May 2022 again noted minor changes. The monitoring report from August 3rd registered minor changes from the previous report as well. Comparing the results of August 2022 to the December 2021 baseline, it appears there is active movement of the wall.

As a result, TPD was authorized to proceed with the Phase 2 wall rehabilitation design on November 29, 2022. Project design plans were finalized in December 2023 and issued to a JOC Contractor for pricing and construction in 2024. Construction began in July 2024 and proceeded through the reporting period, with TPD participating in progress meetings, reviewing submittals

November 25, 2024 PROJECT STATUS REPORT

and responding to RFIs as needed. The contractor will finish last item, waterproofing the masonry walls, in early November.

Construction Inspection
Task Order Assignment C-772A-1
(HDH/MEM)

This Task Order Assignment is for providing Construction Inspection services for the Riverton-Belvidere Toll-Supported Bridge NW & SW Wingwall Rehabilitation. KS Engineers, P.C. (KSE) was provided with their Notice to Proceed effective June 4, 2024. KSE continues to provide a full-time Construction Inspector for the duration of the construction to observe and monitor the progress of the on-site construction activities.

Construction
Job Order Contract No. TTS-784A-001
(HDH/MEM)

A Joint Scope of Work Meeting was held on January 11, 2024. Personnel from TPD, Job Order Contractor Mount Construction, JOC Program Manager Gordian and the Engineering Department met on-site at the RBTSB. A follow-up Teams meeting was held on January 19th, 2024. Mount Construction provided a cost proposal via several review iterations, which has been finalized with the JOC Program Manager Gordian Group.

This Job Order Contract was awarded to Mount Construction Company, Inc. on June 20, 2024 for an amount not-to-exceed \$449,748.88 for the rehabilitation of the Northwest (NW) and Southwest (SW) wingwalls at the Riverton-Belvidere, Pennsylvania bridge approach. This contract includes the removal of the existing concrete wall cap, stone masonry where the wall has bulged and resetting the stone and replacing the wall cap including a new moment slab on the NW wingwall. Work at the NW wingwall also includes removing and resetting the railing on top of the NW wingwall, sidewalk replacement, blast cleaning, repointing and applying a waterproofing agent on the wall. The SW wingwall work includes the blast cleaning, repointing and applying a waterproofing agent. The work on the roadway adjacent to the SW wingwall includes construction of a concrete trough, asphalt curb, and minor paving immediately adjacent to the wall to address drainage issues.

During this reporting period progress meetings were held between October 3, 2024, and on October 24, 2024. Mount Construction completed the following work at the northwest wingwall; placement of the proposed moment slab and re-installed the existing pedestrian railing, placed the new concrete sidewalk, placed the bridge monument on the sidewalk, placed the ESS foundation and re-installed the existing ESS post, backfilled, regraded, topsoil, seeded and strawed the embankment area and re-installed the existing signage. Mount Construction completed the following work on the southwest wingwall; installed the underdrain system, placed the proposed concrete swale and placed proposed asphalt curb. Mount is scheduled to waterproof the wingwalls in early November. Mount is also in the process of addressing the items on the generated punch list.

November 25, 2024 PROJECT STATUS REPORT

MULTIPLE FACILITIES AND/OR COMMISSION-WIDE

CAPITAL PROGRAM MANAGEMENT CONSULTANT (CPMC) & DESIGN MANAGEMENT CONSULTANT (DMC) SERVICES FOR CAPITAL IMPROVEMENT PROJECTS

CPMC SERVICES THROUGH DECEMBER 31, 2028

Task Order Assignment No. C-502A-1N (SJB/KMS)

Task Order Assignment No. C-502A-1N was authorized on April 8, 2024 for the continuation of Capital Program Management Consultant (CPMC) Services through December 31, 2028. The budget currently authorized for this assignment is anticipated to cover full-staff CPMC Services through December 31, 2025. Services under this Task Order Assignment from January 1, 2026 through December 31, 2028. Under Task Order Assignment 502A-1M, AECOM continues to provide Capital Program Management Consultant (CPMC) Staff Augmentation Services for delivery of the Commission's Capital Program. AECOM is currently providing four (4) full-time Project Managers to oversee and administer various design and construction projects that are being advanced in the Capital Improvement Program.

CPMC staff will continue to provide support to the Commission in advancing the Capital Program in the following areas: procurement assistance, scheduling and cost control, programming/planning, Project Management, Program Area Management, technical support, design oversight and support, construction oversight and support, and oversight and support of the Job Order Contract (JOC) construction work, all including coordination with multiple Commission departments outside of Engineering.

UNDERWATER SUBSTRUCTURE IMPROVEMENTS DESIGN – ALL REGIONS

Design Contract No. C-782A (HDH/SJB)

During the 2021 Underwater Inspection, repair and/or rehabilitation needed at bridge substructures below the water level was identified in the reports. IH Engineers, P.C. was awarded this project and given limited notice to proceed August 1, 2023. IH's subconsultants GPI and JMT finished the in-depth field inspection for the project by the end of August. IH continued with the Draft Condition Assessment Report (CAR) and a Draft Substructure Foundation Reports (SFR) for each bridge. Where the CAR will outline the need for repairs and at which bridges, the SFR will be used as a source of information regarding the foundations and its susceptibility to flooding damage for the Commission in the future. A mid-October meeting was held with the consultant to discuss the CAR and to exchange ideas on possible repairs. Bi-weekly progress meetings are scheduled with the consultant. A Draft CAR was submitted in November and a draft SFR was submitted early December. Both have been reviewed by Commission staff, revised reports were

November 25, 2024 PROJECT STATUS REPORT

delivered late January and have been returned with comments. A revised set of reports received in mid-April 2024 are currently under review.

A pre-application meeting with NJDEP was conducted on April 2, 2024. Condition Assessment reports (CAR) continue to be progressed. IH is finalizing their reports and working on the preliminary design. Their subconsultants are continuing working on acquiring the necessary permits.

IH has continued to work on both the SFRs and ACRs. A copy of both reports have been forwarded for constructability review under task order C-788A-6. Task Order Consultant TPD and their subconsultant Childs Engineering will review three (3) bridges in the CAR report and a meeting will be scheduled with IH and Engineering to discuss their findings.

CONSTRUCTABILITY REVIEW OF UNDERWATER SUBSTRUCTURE IMPROVEMENTS – AL REGIONS (C-782A)

Design
Task Order Assignment No. C-788A-06
(HDH/SJB)

Under the standing Task Order Agreement, Traffic Planning and Design along with their sub-consultant Childs Engineering will perform a constructability review of the design of the underwater pier repairs being prepared under Contract C-782A.

On August 19th a pre-proposal meeting was held with TPD and Childs Engineering to discuss a peer review of IH's Condition Assessment Report with emphasis on constructability. This report contains recommendations for Underwater repairs to the Main river Bridges over the Delaware. An Cost Proposal was received on September 26, 2024. A negotiation meeting was held on October 9, and a revised Cost Proposal was received on October 17th. NTP was given on October 21, 2024.

EXIGENT SUBSTRUCTURE MASONRY REHABILITATION

Construction Contracts No:

TS-694B – Lumberville-Raven Rock TSB Exigent Substructure Masonry Rehabilitation
TS-694C – Calhoun Street TSB Exigent Substructure Masonry Rehabilitation
TS-694D – Washington Crossing TSB Exigent Substructure Masonry Rehabilitation
TS-694E – Riverton-Belvidere TSB Exigent Substructure Masonry Rehabilitation
(EVO/MEM)

This contract is for the rehabilitation of existing masonry joints at the abutments, piers, and retaining walls, and at four (4) locations directed by the Commission. These exigent substructure masonry rehabilitation projects are an extension of the TS-694A - New Hope – Lambertville Toll-Supported Bridge Rehabilitation Design. This work includes the cleaning and repointing of existing masonry joints, the removal and salvaging existing masonry, constructing mortar beds, placing stones back in their original locations, and repointing courses on piers, abutments at

November 25, 2024 PROJECT STATUS REPORT

designated locations as directed by the Commission. The contractor Torrado was also instructed to repair the Pier 2 spall located at the bottom of the pier nose. Torrado and the inspector communicated daily and recorded the linear footage of repointing on each face the substructure units.

The contractor, Torrado Construction began work at the first bridge site, Lumberville-Raven Rock on July 23, 2024, and was substantially complete on October 9, 2024. Torrado is in the process of repairing a spall located at the bottom of the Pier 2 nose at Lumberville-Raven Rock. The first layer of spall repair material was placed on October 16, 2024. The spall repair at Pier 2 is scheduled to be completed once the additional spall repair material ordered is available.

During this reporting period Torrado mobilized to the Calhoun Street project site on October 9, 2024 and began work at Pier 2 of 6. The work at the PA abutment and Pier 1 of 6 was skipped because of low water flow and restricted boat access due to the presence of large boulders in the river. Torrado will complete the work at the PA abutment and Pier 1 of 6 at a later date. Torrado completed the work at Pier 2 of 6 on 10/15/2024 and completed the work at Pier 3 of 6 on 10/30/2021. The anticipated substantial complete date is in early December 2024, weather permitting.

BRIDGE MONITOR SHELTER ENHANCEMENTS PROGRAM DEVELOPMENT

Task Order Assignment No. C-771A-1 (WMC/KMS)

French & Parrello Associates, P.A. and their sub-consultant, USA Architects, Planners + Interior Designers are developing a system-wide program to enhance the Commission's inventory of bridge monitor shelters. Work involved preparing the program needs assessment, as discussed during the April 22nd meeting with Commission staff, and continued through the reporting period. A revised site constraints analysis was submitted addressing previously provided comments from the Commission. Additionally, the Commission received revised drawings for the primary and satellite shelter prototypes.

ELECTRONIC SURVEILLANCE / DETECTION SYSTEM

NETWORK VIDEO MANAGEMENT SYSTEM (NVMS) INTEGRATOR SERVICES Contract No. DB-768A (WMC/KMS)

Dynamic Security, LLC (dba Secuni) continued to provide maintenance services of headend type equipment in support of the Electronic Surveillance / Detection System under the direction of the Commission's Public Safety and Bridge Security Department, who operates the system from the Control Centers located at the New Jersey State Police's Regional Operation and Information Center (ROIC) in West Trenton, New Jersey and the New Hope-Lambertville Toll Bridge facility in New Hope, Pennsylvania.

November 25, 2024 PROJECT STATUS REPORT

ELECTRONIC TOLL COLLECTION

CUSTOMER SERVICE CENTER/VIOLATION PROCESSING CENTER PROJECT Contract No. DB-584A (CAS/KMS)

Commission Staff are working with the New Jersey E-ZPass Customer Service Center (NJ E-ZPass CSC) provider, Conduent, to implement IAG Interface Control Document (ICD) version 1.60. This will allow CSCs to receive data and process transactions from other transponder protocols such as SeGo and 6C, in addition to the current TDM protocol, as well as other functionalities. Commission Staff coordinated with Conduent and TransCore for the end-to-end final testing. Commission end-to-end testing is complete. After testing is completed with all agencies within the NJ E-ZPass CSC, go-live will be scheduled, expected to occur in November 2024.

Conduent continues to develop the **real time digital payment function** at the NJ E-ZPass CSC for toll by plate customers. Conduent revised the terms and conditions that will be displayed on the NJ E-ZPass website, and they are being reviewed by the NJTA. Conduent has released this functionality into the NJ CSC software, and they are proceeding with testing it through a small group of individuals.

For the **NJ E-ZPass CSC Services re-procurement**, the New Jersey Turnpike Authority (NJTA) awarded the agreements at their Board Meeting. Subsequently, Commission Staff prepared a November 2024 Summary Statement and Resolution for the Commission to authorize the Executive Director to execute all agreements.

The NJTA, as the lead agency, is facilitating all meetings with the other agencies and Conduent to manage the implementation of outstanding system elements for the New Jersey E-ZPass Customer Service Center.

ELECTRONIC TOLL COLLECTION SYSTEM REPLACEMENT

Design, Build and Maintain Contract No. DB-540A (CAS/KMS)

TransCore began preparing the remining seven (7) toll plazas for the installation of the Encompass E6 multiprotocol reader. This included installing the cabling from the proposed reader location to each antenna. The preliminary work is complete. As the E6 readers are received they are being prepared for installation.

Commission Staff are working with TransCore and the NJ E-ZPass CSC provider, Conduent, to implement IAG Interface Control Document (ICD) version 1.60. This will allow CSCs to receive data and process transactions from other transponder protocols such as SeGo and 6C, in addition to the current TDM protocol, as well as other functionalities. Commission Staff coordinated with Conduent and TransCore for the end-to-end final testing. Commission end to

November 25, 2024 PROJECT STATUS REPORT

end testing is complete. After testing is completed with all agencies within the NJ E-ZPass CSC, go-live will be scheduled, expected to occur in November 2024.

TransCore assisted the Commission's pest control company with the treating of the toll plaza canopies.

Commission Staff and TransCore meet monthly to review and discuss system operational and maintenance items. A weekly call also takes place to briefly review system maintenance items for the week.

ALL ELECTRONIC TOLLING IMPLEMENTATION PLAN

Task Order Assignment No. C-728A-6 (CAS/ KMS)

Rummel, Klepper & Kahl, LLP (RK&K) team is providing program management services for the transition to soft All Electronic Tolling (AET) under this task order assignment. The RK&K team and Commission Staff met with TransCore for a third time to discuss our hard AET conversion and the anticipated use of the South Jersey Transportation Authority procurement for the AET system. This procurement includes provisions that allow all the agencies of the New Jersey E-ZPass Customer Service Center to purchase their toll system. During this meeting, the team reviewed a draft scope of work and discussed revisions to this document. TransCore is working with the draft scope of work to prepare their fee document.

JOB ORDER CONTRACTING SERVICES

JOB ORDER CONTRACTING PROGRAM MANAGER Contract No. C-727A (WMC/KMS)

The Gordian Group continued to provide program management services in support of the Commission's Job Order Contracting Program involving development of price proposals within the information management software as well as the construction management services in support of each individual job order.

JOB ORDER CONTRACTING SERVICES
FOR BRIDGE, HIGHWAY, AND CIVIL WORK – NORTH REGION
Contract No. T/TS-784A
(WMC/KMS)

Representatives from Mount Construction Company participated in a training session on June 28, 2023involving the JOC Information Management Software, using the Construction Task Catalog and the understanding the Job Order Development Process.

Notice-to-Proceed was issued effective July 1, 2023.

November 25, 2024 PROJECT STATUS REPORT

JOB ORDER CONTRACTING SERVICES
FOR BRIDGE, HIGHWAY, AND CIVIL WORK – SOUTH REGION
Contract No. T/TS-785A
(WMC/KMS)

Representatives from Mount Construction Company participated in a training session on June 28, 2023involving the JOC Information Management Software, using the Construction Task Catalog and the understanding the Job Order Development Process.

Notice-to-Proceed was issued effective July 1, 2023.

JOB ORDER CONTRACTING SERVICES
FOR BUILDING AND FACILITY WORK – NORTH REGION
Contract No. T/TS-786A
(WMC/KMS)

Representatives from Mount Construction Company participated in a training session on June 28, 2023involving the JOC Information Management Software, using the Construction Task Catalog and the understanding the Job Order Development Process.

Notice-to-Proceed was issued effective July 1, 2023.

JOB ORDER CONTRACTING SERVICES
FOR BUILDING AND FACILITY WORK – SOUTH REGION
Contract No. T/TS-787A
(WMC/KMS)

Representatives from A.P. Construction participated in a training session on June 28, 2023involving the JOC Information Management Software, using the Construction Task Catalog and the understanding the Job Order Development Process.

Notice-to-Proceed was issued effective July 1, 2023.

GENERAL ENGINEERING CONSULTANT

2023-2024 Annual Inspections Contract No. C-757A (HDH/MEM)

As the Commission's General Engineering Consultant (GEC), Pickering, Corts & Summerson (PCS) provided Annual Inspection Services for the Toll Bridges in 2021, and Toll-Supported bridges in 2022, and Toll Bridges again in 2023.

Inspections of the Toll-Supported bridges and facilities are scheduled for 2024. A kick-off meeting was held with Maintenance, Engineering and PCS team staff on February 20th, 2024.

November 25, 2024 PROJECT STATUS REPORT

Maintenance forces from NHL performed the cable rigging of the Toll-Supported Bridges beginning the last week of February in preparation for inspections that commenced the week of March 18th, 2024.

All Toll-Supported Bridges and Facilities were inspected during the months of March, April, May and June. Sign Reflectivity Assessment for the Toll-Supported bridges was performed by PCS' sub-consultant SJH the second week of October, this work is performed during nighttime hours.

The Preliminary Draft Maintenance and Annual Inspection Reports were received on October 2nd, 2024. Meetings with Engineering, Maintenance and the GEC were held on October 21st (Southern Region) and October 22nd, 2024 (Central and Norther Regions). Copies of Final-Draft reports are expected the first week of November.

TOLL PLAZA RESTRIPING

Design Task Order Assignment No. C-760A-6 (JRB/SJB)

Under this Task Order Assignment (TOA) the Consultant, Remington & Vernick Engineers (RVE), is providing professional consulting services to review, analyze, provide alternatives, and prepare construction plans for revised toll plaza and approach restriping at the seven (7) traditional toll plazas.

A kickoff meeting was held on October 5, 2023, via MS Teams. A research assessment report was submitted to the Commission on October 19, 2023, and a meeting was held on October 24, 2023, to discuss it. A revised report was submitted on November 20, 2023, for internal review and coordination. A status meeting was held on February 14, 2024. RVE submitted an updated assessment report based on additional Commission comments on February 21 and it is currently under review. RVE submitted preliminary plans on April 1, 2024, and comments were provided back to RVE on April 22. Plans for Interstate 78 and Trenton – Morrisville were finalized on May 20 and provided to Engineering staff to incorporate into the current T-766A I-78 I-NJ Roadway Rehabilitation and Power & Communication Infrastructure Improvements project and for the current procurement of T-746A Trenton – Morrisville Toll Bridge Roadway Paving and Deck Sealing Improvements. The Commission is awaiting the final submission for the remaining five (5) toll plazas.

TRAFFIC ENGINEERING CONSULTANT

2021–2022/ 2023-2024 Annual Reports Task Order Assignment No. C-761A (CAS/ KMS)

Commission Staff provided the 2024 traffic data to Pennoni to begin preparing the 2024 Traffic Engineering report that will summarize the 2024 traffic and revenue and forecast the 2025 traffic and revenue. Pennoni submitted preliminary values that were reviewed by Commission Staff and comments were provided to Pennoni. Pennoni addressed the review comments.

November 25, 2024 PROJECT STATUS REPORT

TRAFFIC COUNT PROGRAM UPGRADE

Contract No. DR-550A (JRB/CAS)

A Purchase Order was issued to Signal Service, Inc. of West Chester, PA for new overhead traffic counters radar units and support materials in April 2023. Signal Service (SS) is a member of the Pennsylvania Department of General Services COSTARS Program.

The purchase order included 19 new overhead radar units (included 2 spare units), and new units have been installed at all vehicular bridges. These new sensors replaced end of life RTMS (radar) traffic monitoring units that began to fail. Due to increased sensitivity of the newer technology in the counters and the unique geometry of some of the Commission's Toll-Supported Bridge approaches, Commission staff and Signal Service have been working to monitor and reconfigure or recalibrate the sensors at many bridges when needed. There are a few bridges that are problematic, including Uhlerstown – Frenchtown, Upper Black Eddy – Milford, and Riverton – Belvidere where narrow approach roadways coupled with steel guiderail has caused issues with radar counts.

Commission staff and SS are working together to try and remedy the situation, either by recalibration, reconfiguration, or relocation of the counter heads where possible.

At the New Hope-Lambertville Toll-Supported bridge, on September 9, 2024, the traffic counter was relocated to the PA Approach. During review of the data collected from 9/10 - 9/30, it was determined the counts (westbound only due to TS-694A) were inaccurate and that SS will be contacted to come out and reconfigure the sensor. SS recalibrated the NH-L TSB sensor on October 23.

SS visited Northampton Street and Riverton – Belvidere TSBs on October 8, Portland - Columbia, Delaware Water Gap, and Milford – Montague TBs on October 21, Easton – Phillipsburg TB on October 23, and Scudder Falls and I-78 TBs on October 24 as part of their quarterly preventive maintenance.

Engineering and SS will continue monitoring any issues with the sensors at other Toll-Supported Bridges where geometry and roadway appurtenances cause problems.

ELECTRONIC TOLL COLLECTION / TOLLING TASK ORDER CONSULTANT

E6 MPR TESTING Task Order Assignment No. C-770A-2 (CAS/ KMS)

TransCore continued to monitor the Encompass (E6) multiprotocol reader at the Trenton-Morrisville Toll Bridge. This reader enables the Commission toll facilities to read transponders

November 25, 2024 PROJECT STATUS REPORT

that use TDM (IAG), SeGo or 6C protocols, an IAG directive. TransCore and RK&K collected data to document the performance of the reader in multiprotocol operation. This data continues to be reviewed by TransCore to determine if additional tuning to the reader is needed.

SOFT AET PROGRAM MANAGEMENT AND ROADWAY SIGN REPLACEMENT

Design
Task Order Assignment No. C-770A-3
(CAS/ KMS)

Rummel, Klepper & Kahl, LLP (RK&K) provided construction support that included reviewing contractor provided submittals and responding to requests for information for All-Electronic Tolling (AET) Soft Conversion Phase 2 - AET in place (Phase 2) signage revisions for the westbound travel direction of the New Hope – Lambertville, Portland – Columbia and Milford – Montague Toll Bridges. The sign changes address the discontinuation of cash collection and the addition of the Toll-by-Plate payment option at these bridges, on June 17, 2024.

Mount Construction, the Commission's Job Order Contract (JOC) contractor, completed the sign installation and roadway pavement marking eradication. Two larger signs that required additional time to procure are now complete.

RK&K, Mount Construction, AECOM and Commission staff participated on an on-site project scoping meeting for the signage revisions for the Trenton – Morrisville, I-78, Easton – Phillipsburg, and Delaware Water Gap Toll Bridges. RK&K prepared plan sheet revisions that were discussed during the on-site meeting and submitted them to the team. The signage plans were provided to the NJDOT for their information.

TOLL SIGN REPLACEMENTS AT NEW HOPE-LAMBERTVILLE TOLL BRIDGE

Construction
Job Order Contract No. T/TS-785A-1
(CAS/KMS)

This Job Order Contract for an amount not-to-exceed \$89,794.02 is for the installation of advanced tolling signs at the New Hope-Lambertville bridge approach and toll plaza in preparation to transitioning to All Electronic Tolling In-place at this bridge on June 16, 2024. The Toll Sign Replacement contractor is Mount Construction Company, Incorporated of Berlin, New Jersey. Mount was provided with the Contract's Notice to Proceed effective May 24, 2024 and began sign installation and replacement work at this bridge on June 12, 2024. Mount completed the sign replacements within the toll plaza and replaced the advance signage in New Jersey prior to going to all electronic tolling on June 16, 2024. Three (3) large overhead signs on the bridge required additional structural support, which was submitted by Mount and approved by the design engineer RK&K. Two (2) of these remaining three (3) overhead signs were installed on September 27, 2024 and the remaining overhead sign was replaced on October 4, 2024, completing the AET sign placements for this facility.

November 25, 2024 PROJECT STATUS REPORT

TOLL SIGN REPLACEMENTS AT PORTLAND-COLUMBIA TOLL BRIDGE

Construction
Job Order Contract No. T/TS-784A-2
(CAS/KMS)

This Job Order Contract for an amount not-to-exceed \$51,812.20 is for the installation of advanced tolling signs at the Portland-Columbia bridge approach and toll plaza in preparation to transitioning to All Electronic Tolling In-place at this bridge on June 16, 2024. The Toll Sign Replacement contractor is Mount Construction Company, Incorporated of Berlin, New Jersey. Mount was provided with the Contract's Notice to Proceed effective May 24, 2024 and began sign installation and replacement work at this bridge on June 7, 2024. Mount completed the sign replacements within the toll plaza and replaced the majority of the advance signage in New Jersey prior to going to all electronic tolling on June 16, 2024. Four (4) larger toll signs were fabricated and installed the week of July 8, 2024. Two signs on the NJ ramp to the bridge were moved to their designed location on September 25, 2024, completing this contract.

TOLL SIGN REPLACEMENTS AT MILFORD-MONTAGUE TOLL BRIDGE

Construction
Job Order Contract No. T/TS-784A-3
(CAS/KMS)

This Job Order Contract for an amount not-to-exceed \$42,594.62 is for the installation of advanced tolling signs at the Milford-Montague bridge approach and toll plaza in preparation to transitioning to All Electronic Tolling In-place at this bridge. The Toll Sign Replacement contractor is Mount Construction Company, Incorporated of Berlin, New Jersey. Mount was provided with the Contract's Notice to Proceed effective May 24, 2024 and began sign installation and replacement work at this bridge on June 6, 2024. Mount completed the sign replacements within the toll plaza and replaced the advance signage in New Jersey prior to going to all electronic tolling on June 16, 2024. This project is complete.

Meeting of November 25, 2024

OPERATIONS

The following Pages reflect the reports on those items assigned to the Operations Department. Each item is reported separately and page numbered accordingly.

Meeting of November 25, 2024

OPERATIONS INDEX

FOR

PUBLIC SAFETY & BRIDGE SECURITY

SUBJECT	DESCRIPTION	PAGE NUMBER
Public Safety & Bridge Security	Status Reports Month of October 2024	1-24

PUBLIC SAFETY AND BRIDGE SECURITY Month of October 2024

The below-listed items represent meetings, communications, tasks, and projects involving the Public Safety and Bridge Security Department (PSBS):

Radio System

- PSBS personnel and the New Jersey State Police investigated various DRJTBC radio issues during October 2024. Currently, both agencies and Motorola are investigating putting a micro antenna system on the new Trenton-Morrisville facility to reach the NJSP Bordentown radio tower instead of seeking permission to go on the NJ Labor and Industry building in Trenton, NJ.
- In October 2024, ESS Maintenance staff installed and programmed 5 new radios for various new vehicles.
- In October 2024, ESS Maintenance staff continued to work with the Regions and IT to update the Maximo radio inventory database.

Access Control System

- In October 2024, ESS Maintenance staff continued upgrading components of the Commission's access control system and adjusting doors to ensure the security of commission facilities.
- In October 2024, the Access Control System (ACS) database was audited, and pictures were updated for employees and contractor cards.
- Various employee ACS rights were updated and changed at the supervisors' request.
- Various door alarms and ACS issues were investigated and addressed.

Public Safety & Bridge Security

 PSBS continued to arrange various Pennsylvania State Police (PSP) enforcement details and safety checks at Commission bridges. Specifically, during the month of October 2024, PSP conducted speed enforcement and equipment checks at New Hope Toll, Trenton-Morrisville, Portland-Columbia and Milford-Montague.

PUBLIC SAFETY AND BRIDGE SECURITY Month of October 2024

- PSBS Control Center (CC) continues to operate 24/7 detects, documents, and assists the regional bridges with various emergencies, traffic, and security-related incidents.
- During October 2024, PSBS worked with Human Resources (HR) on various internal investigations.
- During October 2024, PSBS personnel worked with several police departments and DRJTBC personnel on various inquiries and investigations. As a result, PSBS personnel investigated (31) video requests.
- In October 2024, PSBS Staff attended the I-78 NJ Roadway Rehabilitation and Power & Communication Infrastructure meeting. Currently, the Commission is expecting camera poles to be installed along the roadway in October.
- In October 2024, PSBS personnel reviewed and purged the ESS video storage database that contains copies of videos requested by DRJTBC personnel and outside agencies.
- In October 2024, PSBS staff attended a meeting for the Lower Trenton Toll Supported Bridge Truck Warning System (Pilot) and a Bridge Monitor Shelter Concept Design.
- In October 2024, PSBS continued working with Engineering to construct the Southern Operations & Maintenance Facilities Trenton-Morrisville Control Center Project.
- In October 2024, work continued at the New Hope Control Center on the Computer Aided Dispatch System (CAD), and the Carousel integrated phone system. PSBS Staff and Engineering continue to conduct Bi-Weekly meetings with Motorola and Carousel regarding the CAD and phone system. Operations personnel received training on the CAD and Reporting systems. Go live date for the CAD is anticipated during November 2024, however currently Motorola is having difficulty with e-mailing the reports.
- In October 2024, PSBS staff attended various meetings concerning switching to electronic tolling (AET).
- In October 2024, PSBS attended meetings with the Coleman Consulting group regarding work schedules and work rules.
- During the month of October 2024, PSBS assisted both the Pennsylvania and New Jersey State Police with security details for both Republican and Democratic presidential candidates

PUBLIC SAFETY AND BRIDGE SECURITY Month of October 2024

• In October the DRJTBC hired James Foster for the position of ESS Monitor II and Christoper Kollie as a Bridge Monitor.

Electronic Security Surveillance (ESS) Maintenance

- In October 2024, the ESS Maintenance staff responded to and closed 49 Maximo work orders concerning the Commission's ESS and radio systems.
- In October 2024, the ESS Maintenance staff continued supporting the DRJTBC electronic vehicle counting system with verifying counts and adjusting the readers.
- In October 2024, the ESS Maintenance staff installed a new network switch and three new camera workstations for the Maintenance Department at Langhorne.
- In October 2024, the ESS Maintenance staff converted cameras EP12, and EP13 from analog cameras to IP cameras.
- In October 2024, the ESS Maintenance staff installed camera SF63 on the New Jersey side of the Scudder Falls Bike path.
- In October 2024, the ESS Maintenance staff replaced field switches for various cameras at both our Scudder Falls facility and Trenton Morrisville facility.
- In October 2024, the ESS Maintenance staff participated in the DRJTBC under bridge unit training.

Toll

- Facilitated an internal meeting with various Commission Departments to discuss AET conversion at TM, I78, EP and DWG
- 2. Participated Northern Region Toll Bridge Monitor interviews
- 3. Attended workshop meeting related to NHL Toll Hard AET conversion

PUBLIC SAFETY AND BRIDGE SECURITY Month of October 2024

- 4. Participated in various Coleman Consulting Group meetings regarding new schedules for PSBS/Toll
- 5. Held weekly Teams meetings with Lieutenants and DDOT to keep staff informed of any updates and answer questions
- 6. Attended monthly TransCore Maintenance meeting
- 7. Participated in TransCore weekly Teams meetings and assist with any toll system updates
- 8. Continue to monitor the daily Garda pickups and prepare a weekly report
- 9. Continue to work with TES to schedule training for Toll personnel and newly promoted employees
- 10. Continue to monitor traffic flow to adjust schedules
- 11. Approve and monitor payroll / address any ADP or portal issues
- 12. Visited toll locations to meet with staff and discuss any issues
